## L&T Construction Wins Orders Valued ₹ 2442 Crs in Telecom Segment

*Company's Single Largest EPC order for Telecommunication Works in India*

**Mumbai, July 01, 2014:** The **Power Transmission & Distribution Business** of **L&T Construction** has secured a major contract worth **₹ 2442 crores** from **Bharat Sanchar Nigam Limited, the project implementation agency for** the **Ministry of Defence.** The contract is for supply, trenching, laying, installation, testing and commissioning of Optical Fiber Cable (OFC) Network which will establish exclusive optical national long distance backbone and optical access routes for the defence network. The scope largely covers OFC routes in central and southern India.

The project will be handled on a turnkey basis, intended for rollout of a nationwide OFC network which will be owned and operated by the Defence Services. This mega network will be deployed with state-of-the-art fibre optic cable technology which will form the backbone optical highway infrastructure and serve as a highly resilient and reliable communication media for the defence sector.

The project is scheduled to be completed in a stringent time frame of 18 months. Commenting on the order, Mr. **S.N. Subrahmanyan, Sr. Executive Vice President (Infrastructure and Construction), L&T said:** "We are well-placed with a complete range of offerings, a nationwide presence and the relevant track record to execute this project to the complete satisfaction of our client. We are also very privileged to play a significant role in strengthening and modernizing the network of our Defence forces."
