# Press Release

## Centum Electronics received Honor from The World Economic Forum

Bangalore, 11th November, 2014:

Centum Electronics Limited (Centum) has been recognized by the World Economic Forum as a "Global Growth Company". It is one of the Seventeen Indian Companies invited to join the World Economic Forum "Global Growth Companies" a community of 370 firms across the world. These companies are nominated on the strength of their ability to become future global leaders.

About World Economic Forum--The World Economic Forum was established in 1971 as a not-for-profit Foundation and is headquartered in Geneva, Switzerland. It is independent, impartial and not tied to any special interests, working in close cooperation with all major international organisations. It is an International Institution committed to improving the state of the world through public-private cooperation. It engages political, business, academic and other leaders of society in collaborative efforts to shape global, regional and industry agendas. Together with other stakeholders, it works to define challenges, solutions and actions, always in the spirit of global citizenship.
