L&T Construction Wins Orders Valued ₹ 2521 Crores

Mumbai, December 30, 2014: The **Building & Factories business** of L&T Construction has bagged orders worth **₹ 2521 crores** in the month of December'14 in both the domestic & international markets.

L&T Oman LLC, a subsidiary of L&T, has won a prestigious order from the Ministry of Transport & Communications, Sultanate of Oman, for the construction of a new passenger terminal at Duqm Airport in Oman. The scope of work includes constructing a modern passenger terminal building with a capacity to handle 500,000 passengers per annum, a 37-metre high air traffic control tower, and an air cargo terminal equipped to handle 25,000 tonnes of cargo per annum.

The subsidiary also bagged an order from Oman Tourism Development Company (OMRAN); the Sultanate's leading tourism and mega real-estate developer, for the turnkey construction of a 4-star Hotel at Oman Exhibition and Convention Center.

In the domestic market, a major order has been secured from a leading developer for the design and construction of residential apartments at Bangalore. The scope of works includes civil, structural, mechanical, electrical, plumbing and finishing works.

Another order has been received from a reputed client for the construction of 10 high end residential towers in Mumbai. The scope includes civil, structure and associated works.

Background:

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
