Press Release**HCC awarded Rs 181 crore contract from Department of Atomic Energy**

Mumbai, September 13, 2016: Hindustan Construction Company (HCC) has been awarded Rs 181.65 crore contract by the Department of Atomic Energy to build premium high rise residential towers at Indira Gandhi Centre for Atomic Research, Kalpakkam, Tamil Nadu. This is an item rate contract to be completed in 30 Months.

Project scope includes construction of five high rise residential towers of ground plus 15 floors housing 600 apartments. The total built up area for the entire construction will be 7.5 Lac sq.ft. This facility would provide accommodation to Department of Atomic Energy Officers working at IGCAR, Kalpakkam.

This is the 2nd order HCC received from DAE for construction of residential towers for its officers. HCC is also currently constructing the six high rise residential towers of ground plus 18 floors housing 312 residential apartments for Senior Officers working at BARC Anushaktinagar.

HCC has constructed 65% of the country's installed nuclear power capacity and is currently constructing the first phase of Integrated Nuclear Recycle Plant of BARC in Tarapur and Units 7 & 8 (2x700 MW) PWHR at Rawatbhata, Kota, Rajasthan.

About HCC:

HCC is a business group of global scale developing and building responsible infrastructure through next practices. With an engineering heritage of nearly 100 years, HCC has executed a majority of India's landmark infrastructure projects, having constructed 25% of India's Hydel Power generation and over 65% of India's Nuclear Power generation capacities, over 3,800 lane km of Expressways and Highways, more than 320 km of complex Tunnelling and over 365 Bridges. Today, HCC Ltd. serves the infrastructure sectors of Transportation, Power and Water. HCC is also developing Lavasa City, a planned hill city and one of India's largest urban development and management initiatives. The HCC Group, with a group turnover of Rs 8,768 crore, comprises of HCC Ltd, HCC Infrastructure Co. Ltd, Lavasa Corporation Ltd and Steiner AG in Switzerland.
