Notes:

- The above results are reviewed by the Audit Committee and taken on record at the meeting of the Board of Directors on November 14, 2017. The Statutory Auditor of the Company have carried out Limited Review of the results for the quarter & six months ended 30th September 2017.
- The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company is facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has not defaulted in any of its statutory dues and has been able to retain all its management functionaries. Keeping in view the above, the financial statements of the company are prepared on going concern basis and the company considers that sufficient taxable income will be available in the specified period against which deferred tax asset Rs. 87695.95 lakhs and MAT credit Rs. 5553.60 lakhs would be adjusted.
- Exceptional items consists of provision for diminution in value of investment in subsidiary.
- The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.
- The majority of lenders have stopped charging interest on debts, since the dues from the Company have been categorized as Non Performing Asset. The Company is in active discussion/negotiation with its lenders to restructure its debts at a sustainable level including waiver of unpaid interest. In view of the above, pending finalization of their restructuring plan, the Company has not provided interest amounting to Rs. 22204.76 lakhs on majority of NPA classified accounts for the quarter in its books of account. Due to this the interest expense, net loss and financial liabilities for the quarter & six months ended September 30, 2017 are reduced by Rs. 22204.76 lakhs and correspondingly the equity is increased by the same amount.
- In pursuance of the assessment of the search conducted u/s 132(1) of the Income Act, 1961 completed on 30.01.17, the Department had raised demands aggregating to Rs. 28344.39 lakhs (which includes interest upto 30.01.17 and are further subject to penalty proceedings) by making some frivolous additions to the total income of the Company. The Company had filed the appeals against these additions before appropriate authorities and the Company is hopeful that it will get relief in appeal. Considering the facts of the matters, no provision is considered necessary by management with no additional tax liability.
- The Company has identified non-moving, obsolete and damaged inventories during the quarter and recognized an aggregate amount of Rs. 24219.90 lakhs as reduction in value of inventories due to write down thereof to net realizable value, which is charged to Statement of Profit & Loss Statement as an exceptional item.

8 During the quarter the Company has made a provision for trade receivables aggregating to Rs. 30446.97 lakhs in compliance of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables are fully recoverable.

9 Regarding compliance of the provisions of Ind-AS 109 w.r.t. accounting of corporate guarantee for Rs. 201384 lakhs given to lenders of one of its subsidiary, as the same is not presently ascertainable.

10 Figures relating to the previous period have been regrouped/rearranged, wherever necessary to make them comparable with those of the current period.

- The Holding and one of its subsidiary Company had opted for CDR of its Debt in the year 2013-14. The CDR package was approved by the competent authorities and implemented by lenders. However, the credit facilities envisaged and sanctioned under CDR packages were not released by the lenders to the said companies, which resulted in sub-optimum utilization of manufacturing facilities. Due to non-disbursement of funds the said companies could not complete their respective spinning projects where substantial amounts were already incurred. All this has led to adverse financial performance and erosion in net worth of the said companies. Both the company are facing cash flow mismatch and are not servicing debt obligations as per the terms of CDR packages sanctioned earlier. Despite all, the manufacturing capacities are operational and running. Both the Companies have not defaulted in payment of their statutory dues and have retain all their management functionaries. Keeping in view the above, the financial statements of the companies are prepared on going concern basis and the companies considers that sufficient taxable income will be available in the specified period against which deferred tax asset Rs. 83110.07 lakhs and MAT credit Rs. 6454.59 lakhs would be adjusted.

In view of the above, pending finalization of their restructuring plan, the Company and one of its subsidiary have not provided interest amounting to Rs. 30857.50 lakhs on majority of NPA classified accounts for the quarter & six months ended in its books of account. Due to this the interest expense, net loss and financial liabilities for the quarter & six months ended September 30, 2017 are reduced by Rs. 30857.50 lakhs and correspondingly the equity is increased by the same amount.
- The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.
- In pursuance of the assessment of the search conducted u/s 132(1) of the Income Act, 1961 completed on 30.01.17, the Department had raised demands aggregating to Rs. 28344.39 lakhs (which includes interest upto 30.01.17 and are further subject to penalty proceedings) by making some frivolous additions to the total income of the Company. The Company had filed the appeals against these additions before appropriate authorities and the Company is hopeful that it will get relief in appeal. Considering the facts of the matters, no provision is considered necessary by management with no additional tax liability.

INDEPENDENT AUDITOR'S REVIEW REPORT

To
The Board of Directors,
SEL Manufacturing Co. Ltd.,

Introduction

We have reviewed the accompanying Statement of standalone unaudited financial results of SEL Manufacturing Company Limited (the company) for the quarter and six months ended September 30, 2017 ("the Statement") prepared by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these standalone financial results based on our review.

Scope of Review

We conducted our review in accordance Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

1. As mentioned in note no. 5 of the statement of standalone unaudited Financial results for the Six months ended 30th September, 2017 regarding non provision of interest amounting to Rs 22204.76 lakhs (Rs 11305.22 lakhs pertaining to quarter ended on 30th September, 2017) on NPA classified bank borrowings which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.
2. The company has not complied with the provision of Ind AS 109 w.r.t. accounting of corporate guarantee for Rs 201384 lakhs given to lenders of one of its subsidiary.

We further report that, except for the effect, if any, of the matter stated in paragraph (2) above which are not ascertainable, had the impact of our observations made in para (1) above, the net loss and borrowings for the quarter and six months ended on 30th September, 2017 would have been increased by Rs. 11305.22 lakhs and Rs Rs.22204.76 lakhs respectively and the equity would have been reduced by the same amount.

Manik Malhotra

Qualified Conclusion

Based on our review conducted as above, nothing *except the above observations* has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results read with notes thereon, prepared in accordance with Indian Accounting Standards as specified under section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to the following matters:

1. Note no. 2 of the statement of standalone unaudited Financial results regarding preparation of the standalone unaudited financial results on going concern basis for the reasons stated in the said note notwithstanding the facts that the company has accumulated losses resulting in erosion of net worth. Keeping in view the above, the company has recognized deferred tax asset and MAT Credit considering virtual certainty that sufficient taxable income will be available during specified period against which such deferred tax asset/MAT Credit can be adjusted.
2. Note no. 6 of the statement of standalone unaudited financial results regarding tax demands raised by the income tax department against which the company has filed appeals before appropriate authorities and therefore no provision is made by the company for this liability.

Our conclusion is not modified in respect of the matters reported in para (1) and (2) of Emphasis of matters.
