Dear Sir,

Sub: Clarification on news item appearing in ET Now today in respect of our Pithampur Plant.

This in response to the story filed by ET Now today regarding Glenmark receiving the observations on its Pithampur Plant in Indore.

The Indore (Pithampur) plant was inspected by USFDA in Feb 2016 and we received three observations from them which were responded to in March 2016. Subsequently we received two product approvals from this plant and we have no outstanding items with the USFDA regarding this plant.

Thanking you.

Yours faithfully,
For Glenmark Pharmaceuticals Ltd.
