L&T Construction Wins Orders Valued ₹ 1810 Crores

Mumbai, September 21, 2015: The Construction arm of Larsen & Toubro has won orders worth **₹ 1810 crores** across various business verticals in September 2015.

Buildings & Factories:

The Business has secured an order worth **₹ 740 crores** from a leading real estate company in India for the construction of a commercial complex in Gurgaon. The project is scheduled to be completed in 24 months.

The scope includes structural, mechanical, electrical and plumbing (MEP), finishes, landscaping and other allied works.

Water & Effluent Treatment:

The Business has secured a water supply order worth **₹ 573 crores** from the Rural Water Supply & Sanitation Department, Telangana under the Telangana drinking water supply project (Phase II).

The project includes construction of three water treatment plants, 1700 km of pipeline network, fifteen major water storage reservoirs and other associated works to meet the water needs of various habitations of the Khammam district in the State.

Power Transmission & Distribution:

The Business has secured a turnkey order worth **₹ 192 crores** from the Transmission Corporation of Telangana Limited for the supply, erection, testing and commissioning of a 400 kV quad moose double circuit transmission line which will run across Adilabad and Karimnagar districts of Telangana.

Transportation Infrastructure:

An order has been received from the Delhi Metro Rail Corporation Limited for the supply, installation, testing and commissioning of ballast-less track of standard gauge. The project will be executed in the elevated and underground sections of Mundka to Bahadurgarh and Dwarka to Najafgarh along with ballasted/ballast-less tracks in depots of the Delhi MRTS Project Phase- III.

Additional orders, across businesses of L&T Construction, have also been received from various ongoing jobs.
