Temporary Production Suspension

New Delhi, February 20: Owing to the agitation in Rohtak and nearby areas, supplies of certain components have been disrupted. As a consequence, the Company has had to temporarily suspend manufacture of cars at its facilities in Manesar and Gurgaon, starting Saturday (February 20) second half.

The Company is making efforts to arrange the components from other sources. Once the supply of components is restored, normal operations will resume.

The combined output from Manesar and Gurgaon is currently about 5000 vehicles per day.
