Kridhan Infra Limited

Acquires Additional 5.36% stake in Vijay Nirman Company Private Limited

23rd February, 2018

Kridhan Infra Limited ("KIL" the "Company") is pleased to announce that it has acquired an additional 5.36% stake in Vijay Nirman Company Private Limited ("VNC"). As a part of this transaction, VNC has allotted 14,99,475 fresh equity shares to KIL. Post this transaction KIL holding in Vijay Nirman has increased to 36.86%.

The Company had signed an SSA for increasing its stake to 50.5% and this transaction is a part of that agreement.

VNC is an excellent operational and strategic fit with Kridhan's existing business and will create significant long-term value for its shareholders. Through this strategic acquisition, Kridhan Infra will strengthens its position in India in the EPC segment. The acquisition provides Kridhan with a strong execution team to complement its superior and unmatched skill set in road and bridge works, foundation engineering, micro-tunnelling, flyovers, landscaping, and others.

About Kridhan Infra Limited

Kridhan Infra Limited is an ISO 9001:2008 certified infrastructure solutions company. Established in 2006 with headquarters in Mumbai, Kridhan Infra is one of the pioneers in introducing the concept of ready to use steel for the construction industry in the country. Eyeing the changing market dynamics and a thrust on international businesses resulted in Kridhan Infra Limited expanding its wings to Singapore, Myanmar, Malaysia, and other South East Asian countries. To enhance its global presence, Kridhan Infra acquired KH Foges, Singapore -the second largest foundation engineering company in Singapore and Swee Hong Ltd. – a 50 year old civil construction company in Singapore with several iconic Singapore developments to its credit. The new structure and the companies under the aegis of Kridhan Infra Limited cater to multiple businesses that serve the different needs of the infrastructure industry.
