L&T Construction Wins Water & Waste-Water Infrastructure Orders Valued ₹ 1509 Crores

Mumbai, September 28, 2015: The Water & Effluent Treatment Strategic Business Group of L&T Construction has won new water and waste-water infrastructure orders worth **₹ 1509 crores** in September 2015.

The **Water Supply & Distribution Business** has secured a water supply order from Telangana Drinking Water Supply Project, Government of Telangana. The project scope includes construction of a water treatment plant, 2835 km of pipeline network, twenty-five major water storage reservoirs and other associated works to meet the water needs of various habitations of the Adilabad district in the State.

In the **Waste Water Business**, a turnkey order has been received from Rajasthan Urban Infrastructure Development Project (RUIDP) for waste water infrastructure works at Pali, Rajasthan. Funded by Asian Development Bank (ADB), the project scope includes construction of a waste water treatment plant, waste water network and allied works in addition to works for the reduction of non-revenue water.

The Water & Effluent Treatment Strategic Business Group (SBG) caters to turnkey infrastructure projects including water treatment plants, water supply & distribution networks, desalination plants, water management system, waste water networks, waste water treatment plants, complete industrial water solutions covering water treatment, effluent treatment, de-mineralization, water reuse and lift irrigation systems.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 15 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
