PAT	24.21	21.51	12.55

New Delhi, May 30th, 2016: **Transport Corporation of India Ltd.,** *India's leading integrated multimodal supply chain and logistics solutions provider,* today announced its results for the fourth quarter and financial year 2015-16 results for the year ended March 31, 2016.

Overall revenue growth remained weak due to sluggish economic demand though some volume growth was seen in the last quarter of the financial year. Due to better control on costs and stable fuel prices, blended EBIDTA for the year has improved to 8.6% as against 8.3% in previous year and correspondingly the net margin has been improved by 12.14% to Rs 85.17 Crores.

Commenting on the results, **Mr. Vineet Agarwal, Managing Director, TCI Group** said, "Our new service lines like ecommerce fullfillment, last mile delivery and multimodal coastal shipping on the West coast of India have given us some momentum for the coming financial years, which is also visible in the results of the last quarter. TCI has a continuous thrust to look at growth opportunites which include opening of a world class temperature controlled warehouse to service the cold chain industry and providing end-to-end cross border solutions across SAARC countries by opening its 100% subsidiary, TCI Bangladesh Ltd. "

About Group TCI: Group TCI, with revenues of over Rs. 2,800 crores, is India's leading integrated multimodal supply chain and logistics solutions provider. TCI Group with expertise developed over 5 decades has an extensive network of company owned offices, 11 mn. sq. ft. of Warehousing space and a team of more than 5,000 trained employees. With its customer-centric approach, world class resources, State-of-the-Art technology and professional management, the group follows strong corporate governance and is committed to value creation for its stakeholders and social responsibilities. TCI was the first to launch several solutions in the logistics field. Its product offering includes:

TCI Freight: India's leading surface transport entity. It transports cargo on FTL (Full truck load) / LTL (Less than truck load) / Small packages and consignments/ Over Dimensional Cargo.

TCI XPS: A leading express distribution specialist, it offers a single window door-to-door & time definite solution for customers' express requirements. It services 13,000 locations in India and 200 countries abroad.

TCI Supply Chain Solutions: TCI SCS is a single window enabler of integrated multimodal supply chain solutions right from conceptualization and designing the logistics network to actual implementation. The core service offerings are Supply Chain Consultancy, Inbound Logistics, Warehousing / Distribution Centre Management & Outbound Logistics.

TCI Global: The global business division of TCI provides end-to-end logistics solutions across boundaries. TCI Global offers freight forwarding & customs clearance activities from all its domestic and international offices.

TCI Seaways: TCI Seaways has 4 ships in its fleet with a cumulative tonnage of around 23,200 DWT and caters to the coastal cargo requirements for transporting containers and bulk cargo.

TCI Developers Ltd.: The real estate arm of Group TCI has been created to look into the development of commercial properties of TCI and development of large scale modern Warehouses and Logistics Parks.

TCI Foundation: As the group's social arm, TCIF fulfils corporate social responsibility and runs schools and vocational training for the under-privileged in rural areas. It has also collaborated with the Bill & Melinda Gates Foundation & National Aids Control Organization to run programs on AIDS interventions and education among the vulnerable trucking community.
