Dear Sirs,

Sub: Information in terms of Clause 36 of the Listing Agreement - Press Release

ABG Shipyard the largest Pvt. Shipbuilder in India has delivered the third Pollution Control vessel to Indian Coast Guard today. This was the third and the last vessel of its series.

The Rolls-Royce designed ship is equipped with state of the art equipment and machinery. The vessel is propelled by diesel electric system with the maximum speed of 21 knts an endurance of 6000 KN miles. The vessel is designed to operate twin engine advance helicopter.

The vessel is 94 Mtrs long, draws 4500 tons and is equipped with modern oil pollution control equipment with the capacity of containment and recovery of oil at sea. The ship can also store upto 500 Tons of recovered oil at sea.

The shipyard has delivered over 230 ships of different class till date including 13 Aluminum high speed interceptor boats and 03 PCV to the Govt. of India. The pollution control vessel was built with a cost over 120 Crores.

This is for your information and records.

Thanking you,

Yours faithfully,

For ABG Shipyard Ltd.
