The Board of Directors

1. We have reviewed the unaudited financial results of Cranes Software International Limited (the "Company") for the quarter ended September 30, 2017 and the year to date results for the period April 1, 2017 to September 30, 2017 which are included in the accompanying 'Statement of Unaudited Financial Results for Quarter and six months ended September 30, 2017 together with the relevant notes thereon (the "Statement")'. The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015") read with SEBI circular dated July 5, 2016, which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Further, the Management is also responsible to ensure that the accounting policies used in preparation of this Statement are consistent with those used in the preparation of the Company's opening unaudited Balance Sheet as at April 1, 2016 prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies.

Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, subject to the matters specified in the 'Other Matters' and the 'Emphasis of matter' paragraphs below nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 read with SEBI circular dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Other Matters

- 5.1 There are undisputed statutory dues including dues on current year's transactions, on account of Provident Fund Contribution, Employee State Insurance, Income Tax, Service tax, Sales Tax, Goods and Service tax, Dividend Distribution Tax and the like not deposited by the Company in favour of the respective statutory authorities.
- 5.2 Earnings in foreign exchanges are not realized within the periods stipulated under FEMA and permission is awaited from the statutory authorities to write off the same.
- 5.3 On a petition filed by the Foreign currency convertible bond holders, The Hon'ble High Court of Karnataka issued a winding up order against the company, which indicates the existence of material uncertainty that may cast significant doubt on the company's ability to continue as a going concern. The company has obtained a stay against the operation of the winding up order issued by the Hon'ble High Court of Karnataka. However, the accounts have been prepared on a going concern basis.

6. Emphasis of Matter

- 6.1 Redemption of Foreign currency convertible bond amounting to Rs. 29,085 lakhs (42 million Euros) to the holders of the bonds have fallen due during April 2011 and is yet to be redeemed as on the quarter and six months ended 30th September 2017.
- 6.2 The management is in negotiation with the Foreign currency convertible bond holders for settling its dues. The management is of the view that the liability of Rs 38,695 lakhs (including interest amounting to Rs. 9,610 lakhs) reflected in the financial statements will adequately cover its liability on settlement of dues with the Foreign currency convertible bond holders and therefore no provision for interest is provided for the quarter and six months ended 30th September 2017. Had such interest been provided in the books in the normal course, the present profits for the quarter ended 30th September 2017 and six months ended 30th September 2017, would have been lower by Rs 388.38 lakhs and Rs. 761.34 lakhs respectively.
- 6.3 In continuation to the point no. 6.2 above, the company has also discontinued the restatement of the Exchange fluctuation gain / loss on account of the outstanding due towards Foreign currency convertible bond and the interest due thereon, in line with the AS-11 "The Effects of Changes in Foreign Exchange Rates". Had such restatement of liability been made in the books in the normal course, the present profits for the quarter ended 30th September 2017 and six months ended 30th September 2017, would have been lower by Rs 1,693.93 lakhs and Rs. 4,346.03 lakhs respectively.

6.4 Term loans and working capital loans availed by the company from various banks amounting to Rs.78,132.24 lakhs, which includes an amount of Rs.5,961.96 lakhs taken over by an Asset Reconstruction Company, remain unpaid and are overdue since 2009. The lenders have filed cases before the Debt Recovery Tribunal (DRT) / Hon'ble Courts, etc for recovery of dues. These proceedings are in various stages of disposal before the "DRT" and respective Hon'ble Courts. Winding up petitions have been filed by Canara bank and Bank of India against the company, before the Hon'ble High Court of Karnataka for non-payment of principal and the accrued interest thereon.

6.5 The banks which had extended financial facilities to the company have treated the outstanding from the company as "Non-Performing Assets" since 2009. In order to achieve the desired congruency on this issue, the Company has also not provided for interest amounting to Rs. 307.01 lakhs on such outstanding amounts for the quarter ended 30th September, 2017 due to various banks, though the confirmation of such dues were not made available to us from the respective banks/financial institutions. Had the said interest been provided in the books in the normal course, the present profits for the quarter ended 30th September 2017 and six months ended 30th September 2017, would have been lower by Rs. 307.01 lakhs and Rs. 600.30 lakhs respectively..

6.6 Loan availed by the company from 'UPS Capital Business Credit' amounting to Rs 606.36 lakhs remains unpaid and is overdue since April 2014.

Our conclusion is not qualified in respect of the above matter.
