Dear Sir,

Re: Disclosure of information under Regulation 30 of SEBI (LODR), Regulations, 2015

This has reference to your letter no. NSE/CM/Surveillance/7263 dated January 04, 2018 received by us through e-mail yesterday evening. We would like to submit that we are not aware of any information / announcement (including impending announcement) which may have a bearing on the price / volume of the scrip except what we have already stated in our letter dated November 14, 2017 wherein we had stated that we are the lowest bidder for the Mumbai Metro Project work of Rs. 1080 crores, for which the LOI may be expected soon.

We have a good order book position which stood at Rs. 17,301 crores as on 30th September, 2017 which was intimated to the Stock Exchange via Press Release dated 14th November, 2017. The updated Corporate Presentation as of 30th September, 2017 has also been uploaded on our website on 14th November, 2017, which gives financial and business details, including the order book and the tendered bid pipeline. It is also pointed out that the infrastructure sector specific investor interest is also driven by the Government policies, announcements and the investment focus.

Hope this clarifies your query.

Yours faithfully,
For SIMPLEX INFRASTRUCTURES LIMITED
