Business Update

Considering the growing four wheeler accessories market in India, the Company launched its own designed and manufactured four wheeler accessories for selected models. The Company is also entering into hospital equipment like Special foldable beds, all type of tables, stands etc. by using existing infrastructure and available resources with the Company. These products will be released in the market gradually.

To tap Non-auto sector with minimum investment, the Company is eyeing for business with Indian Railways and Ministry of Defence and recently got Vendor Registration from Defence and Railway Authorities.

Establishment of Chennai manufacturing Facility is expected to be completed by end of February, 2016 as against end of December, 2015 as reported earlier to meet the requirement of valuable customers.

This is for your information and necessary dissemination. Thanking you,

Yours truly,
For **Autoline Industries Limited**
