Subject: “News Clarification”

Dear Sir,

MillerCoors, LLC, a client of the Company has filed a lawsuit in the United States District Court for the Northern District of Illinois against the Company and HCL America Inc., a wholly owned subsidiary of the Company. MillerCoors allegations under the complaint is that HCL did not deliver an enterprise software project per the agreed timelines. This specific project started in December 2013 and ended in June 2016. We continue to have good business relationship with MillerCoors. We have other ongoing projects with MillerCoors running smoothly. We are in discussions with MillerCoors to resolve this matter amicably. The project in consideration has already ended and we are not expecting any adverse financial impact of the same for the quarter ending March 31, 2017.

This is for your information and records.

Yours faithfully,

For **HCL Technologies Limited**

Manish Anand
