Nucleus Software's FinnOne™ wins the Global No. 1 Lending Product award by IBS Publishing, AGAIN

The 7th consecutive year that Nucleus Software has been the global leader in the lending market.

New Delhi, March 26, 2015: Nucleus Software (NSE: NUCLEUS, BSE: 531209), the leading provider of mission critical lending and transaction banking products to the global financial services industry, was awarded the No. 1 Best Selling Lending Banking System for its flagship product, FinnOne™, by International Banking Systems (IBS), UK. This is the 7th time in a row that Nucleus Software has won this title in the annual IBS Sales League Table 2015.

Mr. Ravi Pratap Singh, Head - Global Product Management & Executive Director, Nucleus Software Exports Limited, added, "We accept this award with pride as it endorses our vision of providing cutting edge technology solutions through constant innovation to develop world class, customer focused solutions. This award is a testimony to the success of our solutions in driving sustainable growth and customer satisfaction across the globe."

Martin Whybrow, Editor in Chief, IBS Intelligence said, "In a tough market, Nucleus Software continued to make progress in 2014 in the lending space. It made further inroads on three continents and the company benefits from being focused on this sector, centred on a strong front-to-back office capability."

Nucleus Software's retention of this position for the 7th consecutive year reiterates its customer focused approach. FinnOne™ supports the entire lending process from loan origination through processing to collections, across the full range of consumer and commercial lending. It allows banks and finance companies to offer their customers the full choice of digital and traditional channels to interact with them. It helps companies deliver lending decisions faster, process loans more efficiently and reduce loan delinquency.

Nucleus Software's FinnOne™ has a track record of winning awards:

1. Asian Banker Technology Implementation Award 2014 for the FinnOne™ mobile collections module, mCollect
2. Process Excellence Award for FinnOne™ Collections at and Debt Management at the BPA Trailblazer Awards
