Review Report to the Board of Directors of M/s NU TEK INDIA LIMITED

We have reviewed the accompanying statement of unaudited financial results of M/s NU TEK INDIA LIMITED having its registered office at A-213, Road No. 4, Gali No. 11, Mahipalpur, New Delhi – 110037 for the quarter ended 30th September, 2015.

The consolidated results have been prepared after incorporating un-audited results of its subsidiary (NU TEK HK PVT. LTD.) in Hong Kong, (NU TEK EUROPE S.R.O) in Czech Republic and (KETUN ENERGY PVT.LTD.) in India. The results of the subsidiary have been consolidated without their limited review at our end. This statement is the responsibility of company's Management and has been approved by the Board of the Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with Standard on Review Engagements (SRE) 2400, *Engagement to review financial Statements* issued by The Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes on Segment Information

Principal Segments

The company's operations relate to Telecom infrastructure services and Trading of Telecom Equipments and components.

Accordingly, revenues represented along industries sector constitutes the primary basis of the segmental information set out above.

Segmental Capital Employed

Assets and liabilities in the company's business are not identified to any of the reportable segments as there are used interchangeably between segments.

Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since the meaningful segregation of the available data is onerous.
