PRIMARY PRODUCERS TO BENEFIT FROM REGULATIONS

Farmers, cottage units may be able to use LLP model

MANU KAUSHIK
New Delhi, December 2

THE GOVERNMENT MAY allow farmers and people engaged in handloom, handicraft or other cottage industries to form limited liability partnerships (LLPs) to let them take advantage of the light-take regulations under the LLP Act, 2008.

The government is expected to table the Corporate Laws (Amendment) Bill, 2025 in the ongoing winter session of Parliament. It will seek to amend the LLP Act so that primary producers don't have to go through the conventional way of creating producer companies and be subjected to a host of compliance.

"This is a new concept that will target farmers, milk producers, fishermen, weavers and rural artisans who can benefit from the lower compliance burden available to LLPs as compared to companies," said an official.

While producer institutions have traditionally been organised in the form of co-operative societies, the concept of producer companies was introduced in Companies Act through relevant amendments. "However, it is now being felt within the government to enable producer institutions to follow the LLP model that offers ease of formation, tax benefits,

ON THE CARDS

■ Move aimed at targeting milk producers, fishermen, weavers, rural artisans

■ Govt says group will benefit from lower compliance burden available to LLPs as compared to firms

■ Changes align with govt's goal of promoting ease of doing business

lower compliance burden on top of the benefits already offered by the producer companies," the official said. For example, an LLP is not required to get its accounts audited unless its turnover exceeds 4 million or its capital contribution exceeds 2.5 million.

In 2022, the Companies Law Committee report had also recommended "the incorporation of producer LLPs that would serve as a more desirable option for small producers since LLPs have been provided with a range of relaxations in the conduct of their affairs."

Experts said that the proposed amendments are aimed at relaxing regulations for producer companies and introducing producer LLPs, boosting primary producers' economic status. "Key benefits

include reduced compliance burden, increased flexibility, improved decision-making with defined LLP model agreements. These changes align with the government's goal of promoting ease of doing business. The amendments are expected to reinforce confidence among primary producers, leading to improved economic outcomes," said Anjali Malhotra, partner (regulatory) at Nangia Group.

At present, producer companies, which are distinct from producer LLPs, can be registered with a minimum of 10 people under the Companies Act with an objective to collectively handle functions like production, harvesting, processing, procurement and marketing for its members.

Statutory cover to Statistical Commission sought

● No such proposal being considered: Govt to House panel

KULDEEP SINGH
New Delhi, December 2

IN ORDER TO improve the credibility and reliability of India's statistics, the Parliamentary Standing Committee on Finance has recommended that the National Statistical Commission (NSC) should be established as an autonomous body with statutory provisions.

In its report, titled "Performance Review of National Statistical Commission", tabled in

the Lok Sabha on Tuesday, the parliamentary panel underlined that the NSC, envisioned as the apex body for statistical governance, has yet to realise its full potential due to the absence of statutory backing and limited enforcement capacity.

"Drawing from global best practices, particularly models like the UK Statistics Authority, the NSC should be restructured as an autonomous and accountable institution reporting to Parliament, supported by a professionally managed statistical office," it said. The NSC was established in 2005 following the recommendations of the C Rangarajan Commission, which reviewed the

The parliamentary panel on finance has said the National Statistical Commission has yet to realise its full potential

Indian statistical system in 2001. The NSC has four members besides a chairperson, each having specialisation and experience in specified statistical fields. The parliamentary panel observed that the Rangarajan

Commission recommended creating a permanent, statutory body for official statistics, but the NSC was never given this legislative framework.

The committee noted that the reliability and quality of official statistics are vital for effective policy making and public trust. The committee further observed that the existence of different data producers, including a growing number of private data providers, creates the possibility of discrepancies between their statistical estimates and those published by the NSC, particularly for key indicators like GDP.

Meanwhile, the Ministry of Statistics and Programme

Implementation (MoSPI) has told the committee that the NSC has autonomy to discharge its functions effectively and efficiently. "The NSC has developed adequate measures and mechanisms in this regard. In view of this, at present, regarding statutory body there is no such proposal under consideration," MoSPI told the committee on being asked about the status of the draft National Statistical Commission (NSC) Bill, 2019, which proposed to establish NSC as an autonomous body. The panel also recommended the MoSPI to prioritise implementation of a comprehensive AI integration strategy within the national sample survey.

No proposal to raise PSBs FDI limit: Govt

FE BUREAU
New Delhi, December 2

THE GOVERNMENT IS not considering any proposal to raise the foreign direct investment (FDI) limit in public sector banks (PSBs) from 20% to 49%, Minister of State for Finance Pankaj Chaudhary informed the Rajya Sabha on Tuesday.

Currently, FDI caps stand at 20% for PSBs and 74% for private banks, with up to 49% allowed automatically in the latter. Any acquisition of 5% or more in a bank requires prior Reserve Bank of India approval.

Chaudhary said the number of shares held by the Centre in 12 PSBs has not declined since 2020, although the government's shareholding percentage has reduced in some cases due to banks issuing fresh capital. Such issuances support growth, meet regulatory norms, and ease fiscal pressure. Banks must also maintain a 25% minimum public shareholding.

As per the new public sector enterprise (PSE) policy issued by

Union Minister of State for Finance Pankaj Chaudhary

the department of investment and public asset management, he said, "recommendations shall be made by NITI Aayog with regard to central PSEs under strategic sectors, which includes the banking, insurance and financial services Sector, and recommendations shall be considered and central PSEs to be, inter alia, retained under government control or considered for privatisation or merger or subsidiarisation with another PSE shall be approved by an alternative mechanism that has been approved by the government."

Taking steps to curb malpractices under skills scheme, says minister

MANU KAUSHIK
New Delhi, December 2

THE GOVERNMENT HAS stressed the need to enhance the quality, transparency, and uniformity in the implementation of the national skill development scheme — Pradhan Mantri Kaushal Vikas Yojana (PMKVY). To this end, it has undertaken several measures, Minister of State (Independent Charge) for Skill Development and Entrepreneurship Jayant Chaudhary said in reply to a set of questions in Parliament about the running of the scheme, and the "governance

crisis" at National Skill Development Corporation (NSDC).

"A structured grievance redressal framework, performance audits, impact assessments, and third-party evaluations have been institutionalised to curb malpractices, including falsification of attendance records. CAG has to conduct the audit of NSDC, the implementing agency of PMKVY from 2017-18 onwards," the minister said.

In response to the queries related to irregularities in the scheme, Chaudhary said that a total of 178 training centres have been blacklisted till Octo-

ber 2025 under PMKVY 4.0 for non-adherence to scheme guidelines. Further, he said, 41 FIRs have been registered in matters involving serious irregularities, including falsification of attendance records.

On a question pertaining to the removal of the NSDC CEO in May 2025, Chaudhary said that NSDC Board, in its meeting held in May 2025, took the decision to remove the then-officiating CEO of NSDC as per the NSDC's governance framework and established procedures, which don't fall under the administrative control of the ministry.

Reintroduce 15% concessional tax for new manufacturing firms, says PHDCCI

INDUSTRY BODY PHDCCI has sought re-introduction of 15% concessional tax rate for new manufacturing units in the 2026-27 Budget. The industry body has submitted pre-budget recommendations to the Finance Ministry requesting re-introduction of section 115BAB of the Income Tax Act, wherein a concessional rate of corporate tax of 15% plus surcharge was introduced for new manufacturing units complying with certain conditions.

The industry body said that a concessional rate would provide a major incentive for foreign companies to set up subsidiaries in India and invest in manufacturing units, the PHDCCI said.

Section 115BAB of the Income Tax Act, introduced via an ordinance in 2019, a concessional rate corporate tax rate of 15% plus surcharge was introduced for new manufacturing units complying with certain conditions. The facility was available for companies that started manufacturing on or before March 2024, but was not extended thereafter. It also requested for reduction in rates of taxation for individuals, partnership firms and limited liability partnerships. It suggested that the maximum tax rate for income up to ₹30 lakh should be 20% and from ₹30 lakh to ₹50 lakh, 25%.

NOTICE
(For the attention of Equity Shareholders of the Company)
This Notice is being published pursuant to the provisions of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time ("the Rules"). The said Rules prescribe the manner of dealing with the shares in respect of which, dividend has remained unclaimed/unpaid for a period of seven consecutive years. As per the said Rules, such shares along with unclaimed/unpaid dividend shall be transferred to the Investor Education and Protection Fund (IEPF). The list of such shareholders is uploaded on the Company's website at <https://www.dcmsriram.com/investors/shareholders-corner>. In compliance with the said Rules, individual letters of intimation are being sent to the shareholders who have not encashed their dividends since the 2nd Interim Dividend for FY 2018-19, or have otherwise procured any order(s) from Court/Tribunal/Statutory Authorities, etc. in respect of their shares, at their latest available address as per records of the Company, to provide an opportunity to claim their unclaimed/unpaid dividend and take appropriate action to avoid transfer of such shares to IEPF. The concerned shareholders are requested to write to the Company/Registrar and Share Transfer Agent (RTA), along with proof of encashment of dividend / relevant document(s) / order(s) etc., as the case may be, on or before **Friday, 13th February 2026**. For any clarification, shareholders are requested to refer to the individual notices sent to them or contact the RTA, MCS Share Transfer Agent Ltd. at 179-180, DSIDC Shed, 3rd Floor, Okhla Industrial Area, Phase-1, New Delhi-110020. Tel: 011-41406149-52, E-mail: helpdeskdelhi@mcsharegistrars.com or the Company DCM Shriram Limited at 2nd Floor (West Wing), Worldmark 1, Aerocity, New Delhi - 110037, Tel: 011-42102020, E-mail: shares@dcmsriram.com (please quote your Folio/DP-Client ID number in all correspondence). SEBI has mandated the Company/RTA to obtain copies of PAN Card, KYC Details, Bank Account Details, Nomination Form, etc. from all shareholders holding shares in physical form. Therefore, shareholders holding shares in physical mode are requested to provide their PAN, KYC and other details at the earliest. Further, to obtain the inherent advantages of dematerialization, shareholders holding shares in physical form are requested to convert their physical holding into dematerialized mode. For more details, please visit <https://www.dcmsriram.com/investors/shareholders-corner>.
