Orient Electric Records Robust Q2 FY27 Performance; Revenue up 25.2%, PAT rises 124.4%

EBITDA grew by 49.7%, margin expanded by 106 basis points year-on-year, driven by premiumisation, strategic execution and sustained operating efficiencies

New Delhi, October 15, 2026: Orient Electric Limited [BSE: 541301, NSE: ORIENTELEC], part of the diversified CKA Birla Group, announced its financial results for Q2 FY27, delivering robust growth across its portfolio. Revenue for the quarter stood at ₹879 crore, registering a growth of 25.2% year-on-year, while Profit After Tax (PAT) increased by 124.4% to ₹27 crore. EBITDA margin improved to 6.5%, expanding by 106 basis points year-on-year, driven by premiumisation, strategic execution and sustained operating efficiencies. The company's BLDC fan portfolio also recorded double-digit growth of 26%.

Ravindra Singh Negi, Managing Director and CEO, Orient Electric Limited, said, *"Despite continued inflationary pressures, we delivered a strong performance, gaining market share in our core categories and improving EBITDA margins. Our Electrical Consumer Durables business continued to gain momentum with innovation-led new product launches in BLDC Fans and Consumer Lighting. Emerging categories including Switches, Switchgear and Wires, also outperformed the industry and further strengthened portfolio growth. As we enter the festive season, we remain focused on capitalising on demand opportunities and reaching more customers. Our One Orient strategy is central to this journey, bringing together our strengths across businesses to accelerate innovation, expand reach and sharpen market execution."*
