Notes to financial results :

- The above audited standalone results for the three and nine month period ended December 31, 2010 have been approved by the Board at its meeting held on February 4, 2011. There are no qualifications in the report issued by the Auditors. The information presented above is extracted from the audited financial statements.
- During the three month period ended December 31, 2010, the Company allotted 4,500 equity shares of face value of ₹ 5/- each on exercise of stock options by its employees.
- With effect from April 1, 2010, the Company changed its policy of revenue recognition for fixed price contracts related to customization projects. Hitherto, such revenue was restricted to the lower of proportionate completed efforts and acceptance received from the customer for the milestone achieved. During the three and nine month period ended December 31, 2010, revenue is recognized using proportionate completion method till contract reaches 90% completion. Balance revenue is recognized on receipt of customer acceptance. As a result of this change in policy, corresponding revenue and net profit of the Company and that of Products segment for the three and nine month period ended December 31, 2010 is higher by ₹ 334 lacs and ₹ 3,012 lacs respectively.
- Employee costs for the nine month period ended December 31, 2010 are net of ₹ 2,191 lacs pertaining to write back of bonus provision of earlier year, no longer required due to changes in compensation policy of the Company. General and administrative expenses for the nine month period ended December 31, 2010 include provision of ₹ 1,220 lacs in connection with a claim against the Company.
- Selling and marketing expenses for the three and nine month period ended December 31, 2009 and for the year ended March 31, 2010 include reversal of referral fee provisions amounting to ₹ 1,845 lacs based on a settlement agreement entered with a distributor.
- Revenue from product licenses and related activities for the nine month period ended December 31, 2009 includes prior period revenue of ₹ 664 lacs.
- During the year ended March 31, 2010, the Company has recorded income tax expenses of ₹ 5,445 lacs related to previous years.
- A customer has filed a lawsuit against the Company and one of its subsidiaries claiming damages of upwards of ₹ 50,118 lacs (Euro 84 million). The claims are being rigorously defended by the Company and the Company will also be raising counter claims on the customer for breach of contract and outstanding fees.

	481,490	402,936	481,490	402,936	417,807

Notes on segment information:

Segment revenue and expense:

Revenue is generated through licensing of software products as well as by providing software solutions to the customers including consulting services. The expenses which are not directly attributable to a business segment are shown as unallocable expenses.

Segment assets and liabilities:

Segment assets include all operating assets used by a segment and consist principally of debtors net of allowances, unbilled revenue, deposits for premises and fixed assets. Segment liabilities primarily include deferred revenues, finance lease obligation, advance from customer, accrued employee cost and other current liabilities. While most such assets and liabilities can be directly attributed to individual segments, the carrying amount of certain assets and liabilities used jointly by two segments is allocated to the segment on a reasonable basis. Assets and liabilities that cannot be allocated between the segments are shown as part of unallocable assets and liabilities.

For and on behalf of the Board of Directors
Oracle Financial Services Software Limited

Chaitanya Kamat
Managing Director & Chief Executive Officer

**Auditor's Report on Quarterly Financial Results and Year to Date results of the
Company Pursuant to the Clause 41 of the Listing Agreement**

To
Board of Directors of
Oracle Financial Services Software Limited

1. We have audited the quarterly financial results of Oracle Financial Services Software Limited ('the Company') for the quarter ended December 31, 2010 and year-to-date result for the period April 1, 2010 to December 31, 2010, attached herewith, being submitted by the Company pursuant to the requirement of clause 41 of the Listing Agreement, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the Company's management and have been approved by the Board of Directors. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, Interim Financial Reporting, issued pursuant to the Companies (Accounting Standards) Rules, 2006 (as amended) as per Section 211(3C) of the Companies Act, 1956 and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. The consolidated revenue, net profit after tax and the earning per share figures for the nine months ended December 31, 2010 and December 31, 2009 as disclosed in Note 12 of these quarterly and year to date financial results have been extracted by management from the audited condensed consolidated financial statements of the Company as at and for the period ended December 31, 2010 and December 31, 2009, respectively. We did not audit the consolidated revenue, net profit after tax and earning per share figures for the quarter ended December 31, 2010 and December 31, 2009 as disclosed in Note 12 of these quarterly and year to date financial results.
4. In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as year to date results:
 - i. are presented in accordance with the requirements of clause 41 of the Listing Agreement in this regard; and
 - ii. give a true and fair view of the net profit and other financial information for the quarter ended December 31, 2010 as well as the year to date results for the period from April 1, 2010 to December 31, 2010.

For Immediate Release**Oracle Financial Services Software Reports Q3FY2011 Net Income of Rs. 282 Crore Up 24% Over the Quarter Ended December 2009**

Mumbai, India, February 4, 2011: Oracle Financial Services Software Limited (Reuters: ORCL.BO & ORCL.NS), a majority owned subsidiary of Oracle, today announced Indian GAAP results for the quarter ended December 31, 2010, with consolidated revenue of Rs. 738 Crore, up 1% over the quarter ended December 31, 2009. Consolidated net income for the quarter was at Rs. 282 Crore, up 24% as compared to the same quarter year-over-year. The operating income for the quarter was Rs. 275 Crore, which was the same as the quarter ended December 31, 2009.

For the quarter ended December 31, 2010, the revenues in the products business were at Rs. 464 Crore, down 1% as compared to the same quarter year-over-year; while the revenues in the services business were at Rs. 255 Crore, up 8% as compared to the same quarter year-over-year.

The consolidated revenue for the nine months ended December 31, 2010 was Rs. 2132 Crore, up 1% as compared to the same period last year, while the net income for the nine months ended December 31, 2010 was Rs. 739 Crore, up 20% as compared to the same period last year.

Chet Kamat, managing director and chief executive officer for Oracle Financial Services Software, said, "I am excited to lead the company. We have market leadership through a great product suite and high class delivery capability, which helped us deliver operating margin of 37% for the quarter ended December 31, 2010. During the quarter we won several top-tier customers in Asia, Europe and the United States and continue to meet the growing requirements of the global financial services industry through sustained investments in our products and services."

Makarand Padalkar, chief financial officer for Oracle Financial Services Software, said, "In a highly competitive environment, we have demonstrated strong operational performance by improving net margins for the first nine months of the fiscal year by six percentage points as compared to the same period in the last fiscal year."

Business highlights

- During the quarter, the Company added 12 customers for its products business and 6 customers for the services business.
- The Company signed new licenses of \$14 million in the quarter.
- Ecobank Africa replaced its existing core-banking applications for its Pan-African operations with Oracle FLEXCUBE and enabled Direct Banking in several countries in the quarter.
- Reserve Bank of Malawi, the country regulator, signed up to deploy Oracle FLEXCUBE for monitoring, providing better governance and control framework for the country's financial operations. Reserve Bank of Malawi joins several other central banks and regulators around the world who use Oracle FLEXCUBE for their operations.
- Tier 1 Bank in North America signed to deploy Oracle FLEXCUBE to deliver a new multi-currency DDA platform to enhance its ability launch new products, expand customer business into new countries, and leverage the straight-through processing capabilities for its business operations.
- Banca Transilvania, Romania recently announced its choice for Oracle FLEXCUBE Universal Banking to support double-digit operational growth each year while sustaining profitability. Banca Transilvania is one of Romania's top five banks, with four main business lines: retail banking, SME banking, corporate banking and healthcare division.
- MARUHAN Japan Bank Plc, first bank in Cambodia capitalized by a Japanese corporation, opened in 2008, selected Oracle FLEXCUBE for its banking operations.
- Eight new customer projects went live with successful deployment of our products. In addition the teams completed rollout in 10 countries for existing customers, including two tier-one banks one each in Japan and India.
- Launched Oracle Reveleus Liquidity Risk Management, the newest addition to the Oracle Financial Services Analytical Applications suite. This solution helps financial institutions facilitate compliance – including compliance with Basel III liquidity provisions – and promote sound operating practices by enabling them to clearly identify, assess and manage enterprise-wide liquidity risk under normal and extreme market conditions. The solution also helps to ensure compliance with new and emerging regulatory requirements – including Individual Liquidity Adequacy Assessment Standards of the Financial Services Authority (FSA) and Principles for Sound Liquidity Risk Management and Supervision of the Bank for International Settlements (BIS).
