Place: Bengaluru**

## **Ola Electric Announces Sankalp 2025**

**Bengaluru, August 5, 2025:** Ola Electric, India's largest pure-play EV company, today announced its annual '**Sankalp**' event. Sankalp will take place on 15th August at Ola Electric's **Gigafactory**, in Krishnagiri. Sankalp 2025 is a bold step towards taking the EV, and energy revolution to the next level.

The company is set to unveil its **India Inside** vision across its products and technologies during Sankalp 2025. This is the company's first public event to take place at the Gigafactory - India's first lithium-ion cell manufacturing facility - that stands as the flagbearer of energy independence.

The event will be live-streamed on Ola Electric's official channels. Ola Electric will reveal more details on its annual Sankalp 2025 event in the coming days.

### **About Ola Electric Mobility Limited**

Ola Electric Mobility Limited is India's leading electric vehicle (EV) manufacturer. It specialises in the vertical integration of technology and manufacturing for EVs and their components, including battery cells. The Ola Futurefactory in Tamil Nadu, where EVs and critical components are produced, is developing India's most significant EV hub. It is supported by Ola's Bengaluru-based Battery Innovation Centre (BIC), dedicated to advancing cell and battery technology. Ola's R&D efforts span India, the UK, and the US, focusing on innovative EV products and core components. Ola maintains a direct-to-customer distribution network with more than 4,000 stores across India and a robust online presence, making Ola Electric the largest company-owned network of automotive experience centres in the country.
