**Commenting on the Q1FY27 Performance, Management added,**

*"Om Freight Forwarders Ltd. are pleased to report a strong start to FY27, with our performance in Q1 reflecting healthy growth across key financial parameters. Our Revenue from Operations stood at ₹193.35 crore, registering a growth of 105% year-on-year, while EBITDA increased by 104% to ₹11.29 crore. Profit After Tax grew by 126% year-on-year to ₹7.30 crore. We also witnessed an improvement in profitability sequentially, with EBITDA margins increasing to 5.84% and PAT margins improving to 3.78%. The strong revenue growth during the quarter was driven by project cargo.*

*As a third-generation logistics and freight forwarding company with over four decades of experience, we remain focused on leveraging our established domestic and international network, strengthening our service capabilities and deepening relationships with our clients. Our presence across key commercial hubs, airports and seaports in India, along with our overseas operations and international associations, positions us well to address the evolving requirements of global supply chains.*

*Going forward, we remain focused on project cargo business. We will continue to invest in strengthening our capabilities, expanding our reach and delivering reliable, efficient and customised logistics solutions to our clients. We believe our experience, integrated service offering and international network provide us with a strong foundation to pursue sustainable growth while maintaining our focus on operational efficiency and value creation for all our stakeholders."*

## About Om Freight Forwarders Ltd.

Om Freight Forwarders Limited. is a third-generation international logistics and freight forwarding company with over four decades of domain expertise. Headquartered in Mumbai, India, it has a presence through offices and associates across five continents, catering to more than 700 unique national and international locations. Its branches are strategically located across major cities, commercial hubs, airports and seaports in India. To meet the growing demand for reliable global logistics solutions, it has established overseas offices in China, Hong Kong, the UK and Singapore. Om Freight Forwarders Limited. is among India's versatile logistics solutions companies, with a strong focus on regulatory compliance and industry accreditations, including MTO, IATA and FIATA. Its strategic associations with international freight forwarders and customs brokerages enable it to offer a comprehensive range of state-of-the-art and customised freight services in a timely and cost-effective manner. With a client-centric approach, the Company develops a detailed understanding of its clients' businesses and works closely with them to provide end-to-end logistics, legal, warehousing and distribution solutions. Its integrated service capabilities are designed to address diverse supply chain requirements while delivering reliable and efficient logistics solutions.
