ERM Project Order of Rs 193 crore from Irrigation Department, UP Government

New Delhi ,25thMarch:Om Metal Infraprojects Limited, One of India's leading conglomerate, received order of Rs 193.76 crore from UP Government

Om Metal Infraprojects Limited, having diverse business activities related to Engineering construction, Hydro power developments, RealEstate, Entertainment centers and Hotel, bagged a contract for construction of Rampur Barrage on Kosi River under Extension, remodeling & Modernization (E.R.M.) of Kosi Canal System in district Rampur (U.P.) worth INR 193.76 crore from UP Irrigation department. The execution period of this work contract is 32 months

The scope of work includes the Design, Detailed Engineering, Procurement and Construction. It also includes allied civil work, interconnecting piping and construction of Ghats.

Propose site of Rampur Barrage on Kosi river Rampur is 3.00 Km D/S of existing Lalpur Weir on Kosi river in District Rampur. Kosi river is 720 KM long and drains an area of about 61,000 km²

Speaking on this achievement, Mr Sunil Kothari, Whole Time Director said, "The recent cache of new contracts/orders received underlines our clients' confidence in Om Metal InfraProjects

Limited. The last two quarter has seen a good increase in our order book and we believe the trend will continue in coming quarters also. Om Metal Infraprojects Limited is known for its capabilities in delivering mega projects "on time," thereby ensuring repeat customers. The Group possesses a rich experience of successfully delivered projects across the globe, while maintaining the highest standards of health, safety, environment and quality (HSEQ).

With this new order in Uttar Pradesh, we will play an important role in enhancing the storage and development of Ram Nagar Area and Kosi River, which annually irrigates an area of close to 1 lakh hectare

The spate of initiatives taken by the new Government have raised industry sentiments and I am confident that with the effective implementation of new orders and the increased opportunities for all players, business prospects are bright. Our dedicated team and cutting edge manufacturing facility will also see traction with the impetus given to the 'Make in India' programme.
