Operational Highlights

The company has implemented the plan for expansion of business geographically. In previous quarter company had signed contract with The Giving Movement, a client based in Dubai. By the end of current quarter i.e. September 2022, the process went live. The company is now looking for more contracts in other regions as well. One more contract has been signed up and others are still under finalisation.

Commenting on the Results, Mr. Akshay Chhabra, Managing Director said:

"The growth was sustained quarter on quarter basis, driven by the new client additions along with expansion in business from domestic customers to international customers. We have been able to improve margins by increasing efficiency and improved seat occupancy across locations. The Company is continually expanding its portfolio of value-added products along with focusing on extending our customer and geographical reach. Parallally, we are implementing strategic initiatives to focus on quality growth and improving profitability. Our marketing strategies are being redesigned to understand consumer preferences and behaviour patterns, and are being aligned more closely with our portfolio. We work to improve the profitability of our clients and focus on delivering value and models to enable them to sustain long-term growth. We are targeting to grow at 30-40% CAGR for the next 3-5 years led by our efforts in the domestic as well as international markets. We thank our entire team for their constant efforts, sincerity and enthusiasm. Also, I would like to thank our valued Shareholders and all stakeholders, who have reposed faith in Company and supported us."
