ONE POINT ONE SOLUTIONS EXPANDS HEALTHCARE VERTICAL WITH ANOTHER CONTRACT WIN:

Mumbai, India – 23 September 2024 – One Point One Solutions Ltd. (NSE: ONEPOINT), a leading provider of business process management solutions, is proud to announce a significant contract with a prominent telehealth company headquartered in Atlanta, USA. This partnership underscores One Point One Solutions' commitment to strengthening its presence in the healthcare vertical and capitalizing on the immense growth potential in this sector.

The telehealth company provides a comprehensive platform designed to streamline the entire telemedicine cycle, offering innovative services that connect healthcare providers with patients globally. By eliminating the need for physical commutes, this service expands its geographical reach, enabling patient care through features such as virtual consultations, instant delivery of test results, and easy tracking of lab assignments. The platform makes healthcare more efficient and accessible by facilitating improved communication between healthcare professionals and patients. In addition to telehealth services, the company provides integrated healthcare solutions, including electronic medical records (EMR), practice management software, and payroll management systems. These tailored solutions cater to the diverse needs of healthcare providers, ensuring high-quality patient care while optimizing operational efficiency.

Under this contract, One Point One Solutions will partner with the telehealth company to provide contact centre solutions and data verification services. This collaboration will enable One Point One Solutions to further strengthen its portfolio under the healthcare vertical, positioning the company for success in upcoming industry summits like the Mass Tort event in Las Vegas.

Mr. Akshay Chhabra - Chairman & Managing Director of One Point One Solutions Limited, expressed enthusiasm about the partnership: "This contract marks a significant milestone in our healthcare vertical growth strategy. By leveraging our expertise in contact centre solutions and data verification, we are well-positioned to support the telehealth company's mission of making healthcare more accessible and efficient. We look forward to showcasing our capabilities at the Mass tort event and continuing to expand our presence in the healthcare sector."

As One Point One Solutions Limited continues to invest in the healthcare vertical, this contract serves as a testament to the company's commitment to delivering innovative solutions that address the evolving needs of the healthcare industry.

About the Company: One Point One Solutions Limited is a leading player in Business Process Management (BPM). The company was incorporated in the year 2006. The company offers technology, accounting, skill-development and analytical solutions that help businesses build better capabilities and enable them to achieve seamless growth.
