Notes:

- The above is an extract of the detailed format of financial results for the quarter ended June 30, 2019 filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of financial results for the quarter ended June 30, 2019 are available on the Stock Exchange websites (www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com).
- Indian sugar industry has been facing difficulties on account of high sugar production in the country in the sugar year 2018-19 resulting in glut of sugar thereby central government has fixed quota for domestic sale while Minimum Indicative Export Quota (MIEQ) on sugar mill basis was fixed for all the sugar mills operating in the country for depletion of sugar stock outside India. For the quarter ended June 30, 2019 and previous periods, the Company has incurred losses due to high raw material cost fixed by the Government and relatively market driven lower price of finished goods i.e. sugar and molasses both of which are external factors. Due to continuous losses, the Company failed in meeting its payment obligations to lenders and farmers, though the Company continues to operate its capacities at optimal levels. The Government has implemented various measures to improve the financial health of the sugar industry, including support for liquidation of cane arrears, fixing obligation for export to reduce the sugar inventory, fixation of Sugar Realization (MSP), providing subsidy on production of sugar, interest subvention on loan for creation of additional manufacturing facilities for ethanol production and increase in the realization of ethanol price etc. All these measures are expected to turnaround operations of the sugar industry on sustainable basis. The Company has also initiated various steps for further de-risking its business. Further pursuant to an Order of Hon'ble High Court of Uttar Pradesh in favour of sugar industry, the Company is confident to receive amount on account of accrued benefits under the Sugar Promotion Policy 2004.
- The debt restructuring exercise of the loan liabilities of the Company has been delayed by the lenders by virtue of Circular dated February 12, 2018 issued by RBI, which is recently been quashed by Hon'ble Supreme Court vide its judgement dated April 02, 2019 terming it as ultra vires. The lenders to the Company, in the meanwhile initiated recovery steps at various forums and one of the bankers has filed application before National Company Law Tribunal under Insolvency and Bankruptcy Code, 2016. OBC had declared company and guarantors as willful defaulters against which company and guarantors have contested such declaration in the High Court and the matter is sub-judice. Against criminal complaint filed by one of the lenders with the investigating agency, recently Enforcement Directorate had issued a provisional attachment order on certain assets of the Company to the extent of Rs. 109.80 Crores. The company is seeking legal advice to contest such impugned provisional order at the appropriate adjudicating authority. However, considering the nature of industry and ongoing discussions with the lenders, the Company is hopeful that debt resolution will be attained through resolution and/or restructuring of loan liabilities by virtue of RBI's circular dated June 07, 2019, while some loan liabilities would be realigned commensurate with its available cash flow, for which discussions are going on.
- In view of the above, these financial statements are continued to be presented on going concern basis, which contemplates realisation of assets and settlement of liabilities in the normal course of business and therefore, impairment of assets if any, has not been ascertained and provided for.
- The loans availed by the Company have been classified as Non-Performing Assets (NPA) by all the lenders to the Company and interest thereon is not being charged to the loan accounts as per prevailing practices. The Company is hopeful of Resolution of Debt through One Time Settlement (OTS) including waiver of un-paid interest on certain loan accounts. Accordingly, interest expenses for the ensuing quarter ended June 30, 2019 amounting to Rs. 3,160 lacs (previous year ended March 31, 2019 Rs. 12,336 lacs) has not been recognized in the books of accounts. A total amount of Rs. 27,468 lacs towards outstanding interest has not been provided for in the books of accounts.
- Pursuant to the notification issued by Central Government and Government of Uttar Pradesh notifying the schemes for financial assistance to offset the cost of sugar cane crushed; Rs. 489 lacs subsidy accrued in accordance with the Scheme for assistance to sugar mills have been adjusted against "Cost of material consumed" for the quarter ended June 30, 2019. The Company has also recognized export freight subsidy of Rs. 208 lacs in quarter ended June 30, 2019 in accordance with the "Scheme for defraying expenditure towards internal transport, freight, handling and other charges on export" notified by Central Government. The management is confident that all the terms and conditions in the schemes notified by the Central Government would be duly complied with and the Company would be entitled to receive the accrued amount of subsidies recognized in the accounts. Valuation impact on the inventory of sugar allocated for export in terms of the scheme of MIEQ based on sugarcane crushed during the quarter ended June 30, 2019 has also been effected to in these accounts.
- The Hon'ble High Court of Uttar Pradesh has directed the State Government to determine the interest liability for the delayed payment of sugarcane price for sugar seasons 2012-13, 2013-14 and 2014-15. Considering that no notice of demand has been served upon the Company in this regard and the amount not being ascertainable, no provision has been made in this regards. Based on the past industry practices, the management is confident that no interest liability will arise for the said periods.
- The application filed by the Company for approval of the appointment and remuneration of Ms. Gursimran Kaur Mann as Managing Director and Mr. Sachchida Nand Misra as Chief Operating Officer/ Whole Time Director of the Company before Central Government is abated in accordance with the amendment made in the provisions of Sections 197 and 200 of the Companies Act 2013 w.e.f. 12.09.18. The Company shall obtain the necessary approvals afresh from shareholders within one year from date of the amendment. It has paid aggregate remuneration of Rs. 45 lacs during the quarter ended June 30, 2019 and Rs. 318 lacs since appointment, to these directors.
- Effective April 01, 2019, the Company adopted Ind AS 116 "Leases", and applied to all lease contracts existing on April 01, 2019 using the prospective method. The adoption of the new standard resulted in recognition of Right-of-Use asset and lease liability of Rs. 9 lacs respectively. In the statement of profit and loss for the current quarter an amount of Rs.1 lacs recognized as amortization on right-of-use and an amount of Rs. 0.27 lacs recognized as finance cost as per Ind AS 116 which were earlier recognized as rent expenses at the agreed rental amount. The effect of this adoption is insignificant on the profit for the period and earnings per share.
- The Company has revised the policy of deferring the off season expenditure in accordance with the requirement of Ind AS 34 'Interim Financial Reporting'. Accordingly, off season expenses amounting to Rs. 885 lacs have been charged as expense during the quarter ended June 30, 2019 resulting in increase in loss for the quarter ended June 30, 2019 by the said amount. Comparative figures for the quarters ending March 31, 2019 and June 30, 2018 have been restated to give effect to this change in policy. Consequently, loss for the quarter ending March 31, 2019 has been decreased by Rs. 2835 lacs and for quarter ending June 30, 2019 has been increased by Rs. 461 lacs.
- The consolidated financial results for June 30, 2019 do not include the figures relating one material subsidiary company viz Simbhaoli Power Private Limited ("SPPL") as their accounts are not yet finalised. However, the consolidated financial results for the year ended March 31, 2019 are inclusive of figures of SPPL based on the unaudited management accounts which was inadvertently adopted by the Board as audited and accordingly auditors had issued their report on such consolidated financial results. The Board at its meeting held on August 14, 2019 has taken note of this lapse and obtained a revised report from the auditor based on correct facts.
- The consolidated statement does not include the results for the quarters ended March 31, 2019 and June 30, 2018 as the company has published only standalone financial results for preceding comparable quarters.
- The figures for the quarter ended March 31, 2019 are the balancing figures between the audited figures in respect of full financial year and the published unaudited year to date figures upto the third quarter of the financial year.
- Sugar, one of the major businesses of the Company, is a part of seasonal industry. The results may vary from quarter to quarter.
- The previous periods figures have been regrouped/rearranged wherever necessary.
- The above results were reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company at their meetings held on August 14, 2019.
