- The Buyback will not result in any benefit to the Promoters and members of the Promoter Group, persons in control of the Company or any directors of the Company except to the extent of increase in their shareholding percentage as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the Equity Share Capital of the Company post Buyback. 2. NECESSITY FOR THE BUYBACK

- It is proposed to do Buy-back up to 11,04,000 (Eleven Lakh Four Thousand) Fully Paid-Up Equity Shares having a face value of Rs. 10/- each from the eligible shareholders of the Company which will help the Company to achieve the following objectives:
- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares, thereby, enhancing the overall return to shareholders;
 - The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
 - The Buyback may help in improving its return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
 - The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

Accordingly, the above proposed objectives could be achieved by returning part of the surplus cash back to shareholders through the buyback process and lead to reduction of outstanding Shares. Further, the buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

- The Buyback is 10% or less of aggregate of the total paid up equity share capital and free reserves of the Company based on both audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2026, permitted through the board approval route as per the provisions of the Companies Act and Buyback Regulations.
- The funds for the implementation of the Buyback (including the Transaction Costs) will be sourced out of the free reserves or securities premium account of the Company and/or such other source as may be permitted by the SEBI Buy-back Regulations or the Companies Act.
- The Company shall transfer from its free reserves or securities premium account and/ or such other sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited standalone and consolidated financial statements.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the SEBI Buy-back Regulations, the Company has fixed Wednesday, July 15, 2026, as the record date ("**Record Date**") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buy-back. The tendering period for the Buyback offer will commence from not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days.
- The tendering period for the Buy-back offer will commence from July 21, 2026, i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days, i.e., until July 27, 2026.
- As per the SEBI Buy-back Regulations and such other circulars or notifications, as may be applicable, the Eligible Shareholders as on the Record Date will receive a Letter of Offer along with a Tender Form including Form SH-4, as applicable, ("**Letter of Offer**") indicating the entitlement of the Eligible Shareholder for participating in the Buy-back. Even if the Eligible Shareholder does not receive the Letter of Offer, the Eligible Shareholder may participate and tender Equity Shares in the Buy-back. All of the Equity Shareholders of the Company as on Record Date will be eligible to participate in the Buyback.
- As required under the SEBI Buy-back Regulations, the dispatch of the Letter of Offer shall be through electronic mode, in accordance with the provisions of the Act, within two (2) working days from the Record Date and that if any Eligible shareholder has not registered an email address with the Depositories, or in the case of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical copy shall be sent by speed post or registered post or courier to such shareholders registered postal address as available with the Company.
- After dispatch of the Letter of Offer, the Company will publish an advertisement in all editions of an English National daily and all editions of a Hindi National daily, and Mumbai edition of a regional language Marathi daily to inform the Eligible Shareholders about the completion of dispatch of Letter of Offer. The dispatch advertisement will also include the link for shareholders to check their entitlement under the Buyback.
- The Equity Shares proposed to be bought back as a part of the Buy-back is divided in two categories:
 - reserved category for small shareholders ("**Reserved Category**") and
 - general category for all other Eligible Shareholders ("**General Category**").
- As defined in Regulation 2(i)(n) of the SEBI Buy-back Regulations, a "**Small Shareholder**" is a shareholder of the Company who holds Equity Shares having market value, on the basis of closing price of such Equity Shares on Stock Exchanges on which the highest trading volume in respect of Equity Shares as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakh only).
- In accordance with the proviso to Regulation 6 of the SEBI Buy-back Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "**Small Shareholder**". Given that the promoters and member of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by promoters and member of the promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement Ratio.
- Based on the shareholding on the Record Date, the Company will determine the entitlement of each eligible shareholder, including small shareholders, to tender their Equity Shares in the Buy-back. This entitlement for each eligible shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buy-back applicable in the category to which such shareholder belongs ("**Buyback Entitlement**"). The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buy-back by Eligible Shareholders, on the basis of their Buy-back Entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buy-back.
- In accordance with Regulation 9(ix) of the SEBI Buy-back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and their entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical Equity Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body-broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may choose to participate, in part or in full, and receive cash in lieu of Equity Shares accepted under the Buyback, or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholder may also accept a part of their entitlement. Eligible Shareholder also have the option of tendering Additional Equity Shares (i.e. Equity Shares over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholders shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and the Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.
- If the Buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy-back.
- The maximum tender under the Buy-back by any eligible shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on record date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buy-back Regulations. The settlement of the tenders under the Buy-back will be done using the Stock Exchange Mechanism notified by SEBI vide the SEBI Circulars. Eligible Shareholders will receive a Letter of Offer along with a tender/offer form indicating their respective entitlement for participating in the Buyback as on Record Date.
- The Buy-back from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non-resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the Reserve Bank of India under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders themselves.
- Detailed instructions for participation in the Buy-back (tender of Equity Shares in the Buy-

back) as well as the relevant timetable will be included in the Letter of Offer which will be sent through email along with the tender form in due course to the shareholders holding Equity Shares of the Company as on the Record Date, who have their email IDs registered with the Company/Registrar and Transfer Agent to the Company/ Depository. However, on receipt of a request by the Company/Manager to the Buy-back or Registrar to the Buy-back to receive a copy of Letter of Offer in physical format from such Shareholder (to whom Letter of Offer and tender form were emailed), the same will be sent physically.

Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the tendering period of the Buy-back. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance.

The cumulative quantity of Equity Shares tendered under the Buy-back shall be made available on the website of the BSE (www.bseindia.com) and NSE (www.nseindia.com) throughout the trading session and will be updated at specific intervals during the tendering period.

Further, the Company will not accept Equity Shares tendered for Buy-back which are under restraint order of the court or any other competent authority for transfer/sale and/or title in respect of which is otherwise under dispute or where loss of share certificates has been notified to the Company and the duplicate share certificates have not been issued either due to such request being under process as per the provisions of law or otherwise.

In accordance with Regulation 24(v) of the SEBI Buy-back Regulations, the Company shall not buyback locked-in Equity Shares and non-transferable Equity Shares until the pendency of the lock-in or until such Equity Shares become transferable. The Company shall also not accept the Equity Shares offered for Buyback where the title to such Equity Shares is under dispute or otherwise not clear.

14.13. Procedure to be followed by Equity Shareholders holding Equity Shares in the dematerialised form:

- Eligible Shareholders who desire to tender their Equity Shares under the Buy-back would have to do so through their respective Shareholder Broker by indicating to the concerned Shareholder Broker, the details of Equity Shares they intend to tender under the Buy-back.
- The Shareholder Broker would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buy-back using the Acquisition Window of the Stock Exchanges. Before placing the bid, the Eligible Shareholder would be required to transfer the tendered Equity Shares to the special account of the Indian Clearing Corporation Limited or the National Securities Clearing Corporation ("**Clearing Corporation**"), by using the early pay in mechanism as prescribed by the Stock Exchanges or the Clearing Corporation prior to placing the bid by the Stock Broker.
- The relevant details and the settlement number under which the lien will be marked on the Equity Shares tendered for the Buy-back shall be informed in a separate circular that will be issued by the Stock Exchanges and/or the Clearing Corporation.
- The lien shall be marked by the Shareholder Broker in demat account of the Eligible Shareholders for the Equity Shares tendered in the Buy-back. The details of the shares marked as lien in the demat account of the Eligible Shareholder shall be provided by the National Securities Depository Limited and Central Depository Services (India) Limited ("**Depositories**") to the Clearing Corporation. In case, the demat account of the Eligible Shareholders is held in one depository and clearing member pool and clearing corporation account is held with other depository, the Equity Shares tendered under the Buy-back shall be blocked in the shareholders demat account at the source depository during the tendering period. Inter Depository Tender Offer ("**IDT**") instruction shall be initiated by the Eligible Shareholder at source depository to clearing member pool/ clearing corporation account at target depository. Details of Equity Shares blocked in the Eligible Shareholders demat account shall be provided by the target depository to the Clearing Corporation.
- For custodian participant orders for demat shares, early pay-in is mandatory prior to confirmation of order/bid by custodian participant. The custodian participant shall either confirm or reject the orders no later than the closing of trading hours on the last day of the tendering period ("Buyback Window Closing Date"). Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.
- Upon placing the bid, the Shareholder Broker shall provide a Transaction Registration Slip ("**TRS**") generated by the stock exchange bidding system to the Eligible Shareholder on whose behalf the order/bid has been placed. TRS will contain details of order submitted like bid ID number, application number, DP ID, Client ID, number of Equity Shares tendered etc. In case of non-receipt of the completed tender form and other documents, but lien marked on Equity Shares and a valid bid in the exchange bidding system, the bid by such Eligible Shareholder shall be deemed to have been accepted.
- It is clarified that in case of demat shares, submission of the tender form and TRS is not mandatory. After the receipt of the demat shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buy-back shall be deemed to have been accepted for Eligible Shareholders holding Equity Shares in demat form.
- Eligible shareholders who have tendered their demat shares in the buy-back shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not be limited to): (i) duly attested power of attorney, if any person other than the eligible shareholder has signed the tender form; (ii) duly attested/notarized copy of death certificate and succession certificate/ legal heirship certificate or probated will, in case any eligible shareholder is deceased, or court approved scheme of merger/ amalgamation for a company; and (iii) in case of companies, the necessary certified corporate authorizations (including board and/ or general meeting resolutions).
- The Eligible Shareholders will have to ensure that they keep the depository participant ("**DP**") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to prorated buy-back decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of buy-back of shares by the Company. In the event if any equity shares are tendered to Clearing Corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the eligible shareholders would be returned to them by the respective Clearing Corporation. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the Seller Member's depository pool account for onward transfer to the eligible shareholder. On the date of the settlement, in case of Custodian Participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be returned to the respective custodian depository pool account.
- In case the Equity Shares are held on repatriation basis, the Eligible Shareholders, being a Non-Resident Shareholder, should obtain and enclose a letter from its authorized dealer/bank confirming that at the time of acquiring such Equity Shares, payment for the same was made by such Eligible Shareholder, from the appropriate account as specified by RBI in its approval. In case the Eligible Shareholder, being a Non-resident Shareholder, is not in a position to produce the said certificate, the Equity Shares would be deemed to have been acquired on non-repatriation basis, and in that case, Eligible Shareholder shall submit a consent letter addressed to the Company, allowing the Company to make the payment on a non-repatriation basis in respect of the valid Equity Shares accepted under the Buyback.

14.13. Procedure to be followed by registered Equity Shareholders holding Equity Shares in the Physical Form:

2. NECESSITY FOR THE BUY-BACK

It is proposed to do Buy-back up to 11,04,000 (Eleven Lakh Four Thousand) Fully Paid-Up Equity Shares having a face value of Rs. 10/- each from the eligible shareholders of the Company which will help the Company to achieve the following objectives:

- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares, thereby, enhancing the overall return to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback may help in improving its return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

Accordingly, the above proposed objectives could be achieved by returning part of the surplus cash back to shareholders through the buyback process and lead to reduction of outstanding Shares. Further, the buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the SEBI Buy-back Regulations, the Company has fixed Wednesday, July 15, 2026, as the record date ("Record Date") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buy-back. The tendering period for the Buyback offer will commence from not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days.
- The tendering period for the Buy-back offer will commence from July 21, 2026, i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days, i.e., until July 27, 2026.
- As per the SEBI Buy-back Regulations and such other circulars or notifications, as may be applicable, the Eligible Shareholders as on the Record Date will receive a Letter of Offer along with a Tender Form including Form SH-4, as applicable, ("Letter of Offer") indicating the entitlement of the Eligible Shareholder for participating in the Buy-back. Even if the Eligible Shareholder does not receive the Letter of Offer, the Eligible Shareholder may participate and tender Equity Shares in the Buy-back. All of the Equity Shareholders of the Company as on Record Date will be eligible to participate in the Buyback.
- As required under the SEBI Buy-back Regulations, the dispatch of the Letter of Offer shall be through electronic mode, in accordance with the provisions of the Act, within two (2) working days from the Record Date and that if any Eligible shareholder has not registered an email address with the Depositories, or in the case of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical copy shall be sent by speed post or registered post or courier to such shareholders registered postal address as available with the Company.
- After dispatch of the Letter of Offer, the Company will publish an advertisement in all editions of an English National daily and all editions of a Hindi National daily, and Mumbai edition of a regional language Marathi daily to inform the Eligible Shareholders about the completion of dispatch of Letter of Offer. The dispatch advertisement will also include the link for shareholders to check their entitlement under the Buyback.
- The Equity Shares proposed to be bought back as a part of the Buy-back is divided in two categories:
 - reserved category for small shareholders ("Reserved Category"); and
 - general category for all other Eligible Shareholders ("General Category").
- As defined in Regulation 2(i)(n) of the SEBI Buy-back Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares having market value, on the basis of closing price of such Equity Shares on Stock Exchanges on which the highest trading volume in respect of Equity Shares as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakh only).
- In accordance with the proviso to Regulation 6 of the SEBI Buy-back Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder". Given that the promoters and member of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by promoters and member of the promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement Ratio.
- Based on the shareholding on the Record Date, the Company will determine the entitlement of each eligible shareholder, including small shareholders, to tender their Equity Shares in the Buy-back. This entitlement for each eligible shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buy-back applicable in the category to which such shareholder belongs ("Buyback Entitlement"). The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buy-back by Eligible Shareholders, on the basis of their Buy-back Entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buy-back.
- In accordance with Regulation 9(ix) of the SEBI Buy-back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios does not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and their entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical Equity Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body-broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares will be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- The participation of the Eligible Shareholders' in the Buyback is voluntary. Eligible Shareholders may choose to participate, in part or in full, and receive cash in lieu of Equity Shares accepted under the Buyback, or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholder may also accept a part of their entitlement. Eligible Shareholder also have the option of tendering Additional Equity Shares (i.e. Equity Shares over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholders shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and the Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.
- If the Buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy-back.
- The maximum tender under the Buy-back by any eligible shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on record date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buy-back Regulations. The settlement of the tenders under the Buy-back will be done using the Stock Exchange Mechanism notified by SEBI vide the SEBI Circulars. Eligible Shareholders will receive a Letter of Offer along with a tender/offer form indicating their respective entitlement for participating in the Buyback as on Record Date.
- The Buy-back from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non-resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the Reserve Bank of India under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders themselves.
- Detailed instructions for participation in the Buy-back (tender of Equity Shares in the Buy-

back) as well as the relevant timetable will be included in the Letter of Offer which will be sent through email along with the tender form in due course to the shareholders holding Equity Shares of the Company as on the Record Date, who have their email IDs registered with the Company/Registrar and Transfer Agent to the Company/ Depository. However, on receipt of a request by the Company/Manager to the Buy-back or Registrar to the Buy-back to receive a copy of Letter of Offer in physical format from such Shareholder (to whom Letter of Offer and tender form were emailed), the same will be sent physically.

1.14. The Buyback will not result in any benefit to the Promoters and members of the Promoter Group, persons in control of the Company or any directors of the Company except to the extent of increase in their shareholding percentage as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the Equity Share Capital of the Company post Buyback. Any change in voting rights of the Promoters and member of the Promoter Group of the Company pursuant to completion of Buyback will not result in any change in control over the Company.

2. NECESSITY FOR THE BUY BACK

It is proposed to do Buy-back up to 11,04,000 (Eleven Lakh Four Thousand) Fully Paid-Up Equity Shares having a face value of Rs. 10/- each from the eligible shareholders of the Company which will help the Company to achieve the following objectives:

- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares, thereby, enhancing the overall return to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback may help in improving its return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

Accordingly, the above proposed objectives could be achieved by returning part of the surplus cash back to shareholders through the buyback process and lead to reduction of outstanding Shares. Further, the buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

3. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP EQUITY SHARE CAPITAL AND FREE RESERVES AND SOURCES OF FUNDS FROM WHICH BUYBACK WOULD BE FINANCED

3.1. The maximum amount required under the Buyback will not exceed ₹ 27,60,00,000/- (Rupees Twenty Seven Crore Sixty Lakh only) ("Buy-back Size"), excluding Transaction Costs. The said amount constitutes 9.88% and 9.16% of the aggregate of the total paid-up equity share capital and free reserves as per the latest audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2026 (i.e. the latest audited financial statements available as on the date of Board Meeting recommending the proposal of the Buy-back), respectively, which is within the prescribed limit of 10%.

3.2. The Buyback is 10% or less of aggregate of the total paid up equity share capital and free reserves of the Company based on both audited standalone and consolidated financial statements of the Company for the financial year ended March 31, 2026, permitted through the board approval route as per the provisions of the Companies Act and Buyback Regulations.

3.3. The funds for the implementation of the Buyback (including the Transaction Costs) will be sourced out of the free reserves or securities premium account of the Company and/or such other source as may be permitted by the SEBI Buy-back Regulations or the Companies Act.

3.4. The Company shall transfer from its free reserves or securities premium account and /or such other sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited standalone and consolidated financial statements.

3.5. The funds borrowed, if any, from banks and financial institutions will not be used for the purpose of the Buyback.

4. MAXIMUM BUY-BACK PRICE AND THE BASIS OF ARRIVING AT THE BUY-BACK PRICE

4.1. The Equity Shares of the Company are proposed to be bought back at a price of ₹ 250/- (Rupees Two Hundred Fifty only) ("Buy-back Price") per Equity Share.

4.2. All of the Equity Shareholders of the Company as on Record Date will be eligible to participate in the Buyback.
- As required under the SEBI Buy-back Regulations, the dispatch of the Letter of Offer shall be through electronic mode, in accordance with the provisions of the Act, within two (2) working days from the Record Date and that if any Eligible shareholder has not registered an email address with the Depositories, or in the case of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical copy shall be sent by speed post or registered post or courier to such shareholders registered postal address as available with the Company.

- The Equity Shares proposed to be bought back as a part of the Buy-back is divided in two categories:
 - reserved category for small shareholders ("Reserved Category"); and
 - general category for all other Eligible Shareholders ("General Category").
- As defined in Regulation 2(i)(n) of the SEBI Buy-back Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares having market value, on the basis of closing price of such Equity Shares on Stock Exchanges on which the highest trading volume in respect of Equity Shares as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakh only).
- In accordance with the proviso to Regulation 6 of the SEBI Buy-back Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buy-back or number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-back. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder". Given that the promoters and member of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by promoters and member of the promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement Ratio.
- Based on the shareholding on the Record Date, the Company will determine the entitlement of each eligible shareholder, including small shareholders, to tender their Equity Shares in the Buy-back. This entitlement for each eligible shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buy-back applicable in the category to which such shareholder belongs ("Buyback Entitlement"). The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buy-back by Eligible Shareholders, on the basis of their Buy-back Entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buy-back.
- In accordance with Regulation 9(ix) of the SEBI Buy-back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios does not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and their entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical Equity Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy-back will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body-broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- The participation of the Eligible Shareholders' in the Buyback is voluntary. Eligible Shareholders may choose to participate, in part or in full, and receive cash in lieu of Equity Shares accepted under the Buyback, or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholder may also accept a part of their entitlement. Eligible Shareholder also have the option of tendering Additional Equity Shares (i.e. Equity Shares over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholders shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and the Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.
- If the Buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy-back.
- The maximum tender under the Buy-back by any eligible shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on record date.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buy-back Regulations.
