Dear Madam /Sir,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

As the novel Coronavirus (COVID-19) outbreak continues to spread rapidly, at Orchid Pharma Limited, our priority is the health and safety of the employees and the communities in which we operate and to be compliant to the various regulations being enacted by the Government to deal with this crisis.

We remain focussed to run our operations safely and efficiently so that we can continue to serve our customers.

In view of the practical constraints of continuing operations and dispatches of our pharmaceutical products to the Global Market, and the safety and health of our employees and other stakeholders, we have suspended operations at Bulk Drugs Plant, Alathur & Finished Dosage Formulations Units 2 in Alathur & 1 in IKKT ~ all facilities ~ in Tamil Nadu.

However, on the guidelines and processes prescribed by Central and State Govt. Health Departments and our Chief Medical Officer, essential & minimum staff are deployed to safeguard the Plant and for its upkeep as per GMP standards, Safety standards and other regulations.

The adverse impact on the operations due to suspension and expected financial impact, is not immediately ascertainable at this stage.

We are monitoring the situation and are taking necessary steps as per the directions, keeping in view the interests of the Company, health and safety of employees and other stakeholders. One of such actions taken immediately after announcement of 'lockdown' is the arrangement of food in our canteen for the contract workforce that have some migrants from other States. This has ensured elimination of movement of such workforce.

We will ramp-up the operations gradually to normal capacity as soon as the situation improves.

This is for your information and records.

Thanking You,

Yours Faithfully,

Manish Dhanuka
Director
