Sub: Update in continuation of Earlier Disclosures dated 19th October 2025, 29th May 2026 and 30th June 2026 regarding Proposed Sale of Stake in Subsidiaries under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

We refer to our earlier disclosures dated 19th October 2025, 29th May 2026 and 30th June 2026 (“Earlier Disclosures”) regarding the Share Purchase Agreement (“SPA”) and the proposed sale of the Company’s entire 74% equity stake in its subsidiaries to Leo Energies Private Limited (Formerly known as Helioact Power India 1 Private Limited), a group entity of Actis GP LLP (“Buyer”).

We wish to inform you that the Company has received the consideration pertaining to the first tranche of the proposed divestment in respect of the following subsidiary:

Truere Guj SPV Private Limited ("T Guj"), comprising a solar project aggregating approximately 70MWp with 30 MWh Battery Energy Storage (BESS);

The Enterprise Value of the subsidiary is ~INR 325 Crore, subject to the closing adjustments as per the SPA and amendment thereof. The Consideration has been derived after making appropriate adjustments to the Enterprise Value in accordance with the terms of the SPA and amendment thereof from time to time.

The first tranche of the proposed divestment has been completed in accordance with the terms and conditions of the SPA and the amendment thereof. The balance tranches, wherever applicable, shall be undertaken in accordance with the terms of the SPA and applicable approvals and conditions.

The transaction marks a significant milestone, validating the Company’s asset-recycling and monetization strategy strengthening its balance sheet and liquidity. The proceeds will support redeployment of capital into its growing solar, open access and BESS project pipeline.

The above information will also be hosted on the website of the Company i.e. www.orianapower.com.

You are requested to take the above on record.

Yours Faithfully,

For Oriana Power Limited
