Review report to Oriental Trimex Limited

We have reviewed the accompanying statement of unaudited financial results of Oriental Trimex limited for the quarter ended 31st December, 2014. This statement is the responsibility of the Company's Management and has been approved by the Board of Director/ committee of board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the standard on Review Engagement (SRE) 2400, engagement to review financial statements issue by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that cause us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standard and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
