Sri Mahanta fully supported the public hearing and requested for start of the mine as soon as possible.

17. **Sri Chandragupta Prasad, Mahanta Basti, Barbil**

Sri Prasad stated that the residents of Barbil were eagerly waiting since 2 years for this occasion. He thanked Govt. authority for giving permission to conduct public hearing for this mine. He also said even though the mine is closed for 12 years, the company has not retrenched even a single person. He requested to start the mine soon so that everybody will be able to earn their livelihood. All Barbil residents have support to start the mine for early commencement of the mining operations.
He submitted a written memorandum to the chair.

18. **Sri Indramani Behera, Barbil**

Sri Behera stated that OMDC is a central government enterprise and he has very old relationship with OMDC. Since 12 years this mines is closed. It was told that when the mine was operational it gave employment to 5000 people. He told that definitely there will be adverse environment impact due to mining operation/activities in a small patch of 21.52 ha. in Uliburu forest but in broader perspective, benefit will be more and in large scale. So he requested to give permission to this mining operation as this project is a government enterprise. He also said that this is a Government enterprise not a private enterprise, so its aim is to earn profit and simultaneously to generate employment. He is hopeful when the mine will start they will definitely look into the problems of local residents which they have been facing since last 12 years and at the same time they will follow the environment issues as per the Govt. guidelines. He requested Government authority to give immediate permission to start the mine without any delay otherwise bank will fridge the company's account and employees will not be able to get their salary for delay permission.

19. **Sri Dilu Swain, Barbil**

Sri Swain said that this mine has been closed since last 12 years. Earnings of Barbil area will increase with the operation of mining activities. He said that the mines should run keeping in mind the environment impact. The trees which will be cut /destroyed due to mining activities, equal number of trees need to be planted. At the same time, water bodies need to be protected. In this regard he requested the Company & Government authorities to give proper attention to the environment. He supported the Public hearing.

20. **Sri Indradev Yadav, Ward No. 7, Barbil Municipality**

26. **Sri Deepak Kumar Mahakud**

Sri Kumar supporting the public hearing stated that OMDC is a very old company. When he was child his father was working in the mine. This company is always with them in their well and woe but due to closure of the mine there are in great trouble.

27. **Sri Siba Shankar Mahanta**

Sri Shankar supporting the public hearing demanded that all the mines should run which will be beneficial for them with regard to employment generation, running the business etc. At the same time, he showed his discontent by stating that even though they are supporting the company to run their mine but there is nobody to monitor/follow up given commitments of the company, whether the company is keeping their commitment or not with respect to employment etc. He demanded pollution control board or any other authority to properly monitor the road condition, dust pollution etc. He also said they have supported a lot many mines for operation so that the nearby villagers would get employment but all promises have gone vain. Still people are protesting for employment. So he demanded for employment to the local youth instead of outsiders.

28. **Sri Subrata Kumar Patra, Councillor, Ward No.13**

Sri Patra supported the public hearing. He raised a question that earlier few have said that the company have been paying salaries to 500 employees even if it is closed but has the company thought anything about 5000 families who are starving. So he requested to run the mine as soon as possible so that local youths will get employment and requested for priority to locals instead of outsiders. He has not signed in the Oral Deliberators Sheet.

29. **Sri Arjun Patra, Pal Hutting, Ward No.8**

Sri Patra supported the public hearing and requested to run the mine as soon as possible keeping in mind the issues like unemployment, environment management and socio-economic development. He has not signed in the Oral Deliberators Sheet.

Sri Karmakar supported the public hearing for Bagiaburu Iron Mines and demanded for employment for the unemployed local youth.

32. **Sri Bipin Bihari Mahanta, Ward No.7, Mahanta Basti**

Sri Mahanta supported the public heariong and stated that earlier Barbil market was depending upon M/s. Kalinga Iron Works and OMDC for their livelihood. But as the mine has been closed for long they are facing difficulties so requested for early operation of the mine. He has not signed in the Oral Deliberators Sheet.

33. **Sri Md.Ziaullah Khan, Ward No.2**

Md. Khan requested to grant permission to Bagiaburu Iron Mines as this is closed since 12 years as a result the situation is worse. Due to corana the public hearing process got late so now the public hearing needs to make success. He requsted Company to give a thought for giving employment to local people and also requested for operation of the mine.

34. **Sri Jhakirias Kispatta, Ward No.2**

Sri Kispatta supported the public hearing and stated that the local Adivasi people are depending mainly upon the forest products like mushroom, wood leaf etc. when mines will run the forest will be damaged and it will affect their livelihood. So he requested company to plant equal number of trees which will get cut due to mining operations. Due to transportation of ore dust will be generated, so he requested the company to think about this issue. He also demanded employment to the local youths as they are getting compelled to go other state in search of employment. Lastly he requested for early operation of the mine.

35. **Sri Debakanta Rath, Ward No.3**

Sri Rath supported the public hearing and demanded for giving priority upon providing employment to the local youth and said he is hopeful that if the mine will be operational definitely locals will be opted for employment.

36. **Ms. Subuni Munda, Karakanda GP**

Ms. Munda supported the Mines.
She submitted a written memorandum to the chair.

37. **Smt. Hiramani Munda, Karakanda GP, Ward No.4**

Smt. Munda supported the public hearing and said she is hopeful that this will generate employment for the local poor people. She also said that the company shall look after the dust emissions that will be generated during blasting. Lastly she requested for operation of the mine.

38. **Sri Arun Kumar Patra, Dalki Basti, Ward No.2**

Sri Patra demanded for 100% employment for local youths. He requested Pollution Control Board to take appropriate steps for control of dust generation due to transportation. He also requested to provide better facilities for OMDC hospital.

39. **Sri Biswanth Patra, Uliburu**

Sri Patra said that mine shall start operation so that nearby village people will get employment and supported the public hearing.

40. **Sri Kishore Kumar Mahakud, Belkiundi, Ward No.2**

Sri Kumar said that OMDC is 100 years old company. The residents of Belkundi have suffered a lot due to wash out during last rain. He is hopeful that they will get help and especially the affected persons need to be provided employment positively. He requested to grant Environmental Clearance and also requested the mine to give local employment.

41. **Sri Dambrudhar Mahanta, Mahanta Basti, Ward No.7**

Sri Mahanta said that the mine will come into operation very soon so the mine shall look after the dust emissions issues.
He submitted a written memorandum to the chair.

42. **Sri Parsuram Palei, Uliburu**

Sri Palei said along with others he is also supporting the public hearing. When mine will operate the highly educated local youths will get employment and villages will be developed. But, simultaneously there will be issues regarding dust emissions. So, he requested to provide medical facilities for the local people, permanent employment to the locals, supply of clean drinking water to the nearby villages as the water of the natural stream has become contaminated and not fit to drink due to increase in mining and industrialization. He suggested that an agreement shall be made between the company and Govt. authority with respect to employment promise, providing medical facilities etc. so that in case company violates the agreement they can approach to higher Govt. authorities for its fulfilment. Company should look into and take appropriate steps towards providing permanent employment to local youths, medical facility, afforestation, better road condition, control pollution etc. He stated that had this public hearing being arranged at Uliburu village instead of Barbil Municipality area, local Adivasi could also have participate in the public hearing. Bbut due to long distance, they were deprived of participating in the hearing.

43. **Sri Vikash Sarwagi, MATOA President, Barbil**

Sri Vikas said that everybody knows that Barbil Market is dependent upon M/s. Kalinga Iron Works and OMDC but both are closed. It is unfortunate that OMDC is closed since last 12 years. As a result, they become unemployed and sitting idle. He requested to run the mines so that all the shopkeepers from small to large will be benefitted and everybody will be benefitted. He is hopeful that OMDC will fulfil their necessities after operation of mine because it has stood with the people in their time of difficulties when the mine is closed. He once again requested the

company & both Central & State Government to mutually complete all the formalities and start the mine operation as early possible.

44. **Sri Suresh Sandil, Ward-3, Thakurani**

Sri Sandil stated that definitely mines would run but at the same time the environment need to be protected so that Global-warming problem will not arise. He informed that once mines Manager Mr. Mohapatra visited their colony and informed them that ground water level is depleting day by day. In this regard he advised not to cut trees because trees hold water level. The area where mining activities will be done is Adibasi populated area. Adivasi is such a community who live with nature and die in nature. So, he requested to promote Adivasi for protection of trees because they live in Jungle, and they know how to protect the nature. He also said that company needs to ensure the education facilities & medical facilities in reality. Lastly he supported the public hearing full-fledgedly.
