1.	Impact of the CoVID-19 pandemic on the business;	Global disruption caused by CoVID-19 combined with a total nationwide lockdown has resulted in significant economic contraction in India. However, Agriculture sector has seen relatively lesser disruption being part of essential items. Hence, our Processing and manufacturing units i.e. Neemuch unit were working and strictly following the guidelines issued by the Central and State Governments. Although, there are certain challenges which impacted the business being softer than normal such as Lack of availability of Labor and transportation.
2.	Ability to maintain operations including the factories/units/office spaces functioning and closed down;	Being a part of essential services sector, the Company continued their business & operations with the above constraints.
3.	Schedule, if any, for restarting the operations;	There was close down in the Company due to complete lockdown and un-availability of Labor and transportation restarting the operation of processing & manufacturing and intimation in this matter submitted to stock exchange, however taking utmost care re started operation as per the guidelines were issued by the Central and State Government.
