- 2 Sugar is a seasonal industry where crushing normally takes place during the period between November and April, while sales are distributed throughout the year. As such, the above quarterly results are not indicative of the likely results for the year.
- 3 The Auditors in their Report on the Accounts for the year ended 30th June, 2011 and subsequent limited review report for the quarter ended 30th September, 2011 have commented upon (i) recognition of Deferred Tax Asset (net) based on future profitability projections and (ii) non provision of differential price for the sugarcane purchases made during the year 2007-08 at the Hargoon and Rosa Sugar units in Uttar Pradesh pending final decision by the Hon'ble Supreme Court, however, the same has been accounted for as stated in Note No. 4 below. The issue related to recognition of Deferred Tax Asset is likely to be resolved favourably based on future projections.
- 4 Exceptional item represents differential cane price liability for the sugar season 2007-08 accounted for by the Company in the current quarter pursuant to the Hon'ble Supreme Court's order dated 17th January, 2012.
- 5 There was no extraordinary item during the quarter / half year ended 31st December, 2011.
- 6 During the quarter ended 31st December, 2011, two investors' complaints were received and the same were disposed of by the Company. No complaint was pending either at the beginning or at the end of the quarter.
- 7 The previous period figures have been re-grouped, wherever necessary, to conform to the current period figures.
- 8 The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 24th January, 2012.
- 9 Limited Review of the above results has been carried out by the Statutory Auditors of the Company.

**LIMITED REVIEW REPORT TO THE
BOARD OF DIRECTORS OF
THE OUDH SUGAR MILLS LIMITED**

1. We have reviewed the accompanying Statement of Unaudited Financial Results of THE OUDH SUGAR MILLS LIMITED for the quarter ended 31st December 2011 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from the disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without qualifying our conclusion, we draw attention to Managerial Remuneration of Rs 55.38 lacs paid to a Managing Director for which the Company has made application for Central Government's approval.
4. *We observe that the Company has recognized Deferred Tax Asset (net) Rs.7,754.63 lacs (including Rs 1,093.26 lacs during the quarter) up to 31st December, 2011, in terms of Accounting Standard - 22, based on the future profitability projections made by the management. However, we are unable to express any opinion on the above projections and their consequent impact, if any, on such recognition of Deferred Tax Asset. Had the above impact been considered, there would be a loss of Rs.10,003.89 lacs (including DTA of Rs.6,661.37 lacs recognised up to 30th September 2011) as against the reported loss of Rs. 2,249.26 lacs for the quarter and the profit and loss account debit balance would be Rs 22,742.51 lacs as against the reported balance of Rs 14,987.88 lacs as on 31st December, 2011.*

In respect of above, our review report for the quarter ended 30th September, 2011 and audit report for the year ended 30th June, 2011 was similarly modified.

5. Based on our review conducted as above, *subject to the matter stated in para (4) above*, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting", notified pursuant to the Companies (Accounting Standards) Rules, 2006 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
