CHIEF TOWN PLANNING, OFFICE, GUJARAT.

Objective.

Development, Customization, Deployment, Implementation, Training, Hand Holding and Operation & Maintenance Support for State wide, Online Development PERMISSION SYSTEM (ODPS) for Urban Development and Urban Housing Department Government of Gujarat.

The Government of Gujarat as part of its vision to provide Good Governance and also as a part of Ease of doing business, to its citizens has initiated various steps to harness the potential of ICT to provide integrated services to the citizens by deploying appropriate tools of Information and Communication Technology for Urban Governance.

Urban Development and Urban Housing Department, Govt. of Gujarat (UD& UHD) makes policy making decision in the matters related to Urban Development and Urban Housing Department of Gujarat State and also monitoring its implementation, procedures guidance and issues orders related to it.

As per the relevant provisions of the Act, any person desirous of undertaking a construction and development activity (New as well as modifications), is required to obtain prior sanctions from the respective Authority. Hence it was decided to evolve an automated system which could handle all the above activity online in a time bound manner. Following key objective are expected to be delivered from this system.

- Provide Permissions online by deploying appropriate technology and integrating entire organizational workflow along with external and internal NOCs with effective use of ICT for better service delivery to the Citizens.
- Refine and define the processes to make the service delivery simple and convenient to the citizen and to all stakeholders in the system
- Build capacity within the organization for the smooth adoption of ICT enabled service delivery to the Citizens including change management
- Work on the organizational processes and enable smooth transition of the current system to the proposed system by efficient implementation process.

This would be online web portal as well as mobile based application, and would be used by, 8 corporations, 162 Nagarpalikas & 20 Gram Panchayat across the state of Gujarat.

Project Duration.

The operation and maintenance of Online Development PERMISSION SYSTEM (ODPS) will be for a period of 8 years. This includes software development, installation, training & support across state of Gujarat.
