The Company's Management and Board of Directors are responsible for the preparation and presentation of the standalone annual financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. In preparing the standalone annual financial results, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The respective Board of Directors of the companies included in the Group and its associates are responsible for overseeing the Company's financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

* Segment assets and liabilities - The assets and liabilities used in the Group's business are not identified with any of the operating segments, as these are used interchangeably between the reportable segments. The management of the Group believes that it is currently not practicable to provide segment disclosures relating to total assets and total liabilities.

1 The Audited consolidated financial results of the Group have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under Sec 133 of the Companies Act, 2013, as amended, read with relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing obligation and disclosure requirements) Regulations 2015 (the "Regulations").

2 In accordance with Ind AS 108 — 'Operating Segments,' the Group has presented segment information in the Consolidated Financial Results. As a matter of voluntary disclosure and to ensure comparability with previous periods where consolidated results were not applicable, the Company has also provided segment information in the consolidated Financial Results for the quarter and year ended March 31, 2026.

3 a On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Holding Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Holding Company has presented such incremental impact under Exceptional Item in the unaudited consolidated financial results for the quarter and nine months period ended December 31, 2025. The incremental impact consisting of gratuity of Rs.334.97 lakhs and long-term compensated absences of Rs.73.47 lakhs primarily arises due to change in wage definition. The Holding Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

b During the quarter ended December 31, 2025, the Holding Company has experienced the loss of a major customer for whom significant cloud-based marketplace support cost and associated committed costs had been incurred. These costs were specifically attributable to the customer's operations and were expected to be amortized over the customer's revenue cycles. As the customer relationship has been discontinued during the current quarter and no future economic benefits are expected to be realized from these costs, the Holding Company has charged off the unamortized balance of Rs.1515.09 lakhs in December 2025 and Rs 440.80 lakhs to the Statement of Audited consolidated Financial Results for the quarter and year ended March 31, 2026. Given the materiality and the specific, non-recurring nature, this amount is presented as an Exceptional Item.

Separately, the Promoters transferred 11,95,280 shares to the former CEO under a personal memorandum of understanding, to which the Holding Company is not a party. The Holding Company has recognised notional remuneration for services received at fair value under Ind AS, as determined by the management, with a corresponding credit to Other Equity as Shareholders' Contribution. Further, the former CEO has issued a legal notice claiming entitlement to the shares, which has not been approved by the NRC and is under dispute. Accordingly, no provision has been recognised in the financial statements, and the matter has been disclosed as a contingent liability under Ind AS 37.
