#### INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

### To Board of Directors, Shree Ram Proteins Limited

- 1. We have reviewed the accompanying statement of Unaudited financial results of **Shree Ram Proteins Limited** ("the Company") for the quarter ended September 30, 2024 ("the statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
- 2. This statement, which is the responsibility of the Company's management and has been approved by the Company's Board of Directors or Committee of Board of Directors, has been compiled from the related financial statements which has been prepared in accordance with the recognition and measurement principles laid down In the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder (Ind AS) and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review of such financial statements.
- **3.** We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, except for the possible effects of our observation described in the "Other Matters" Para as below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 5. Material Uncertainty Related to Going Concern

We draw your attention to Note. No.7 of the financial statements where the Company has stated that it is currently facing a shortage of funds for its business operations, repayment of loans and payment of statutory dues. In case the Company is unable to improve its financial situation in the immediate future, the Company may cease to become a going concern and be in default of the financial covenants of its loan agreements. Our report is not qualified in respect of this matter.

We draw attention to the matters described in Annexure 'A' the effect of which, individually or in aggregate, are material and pervasive to the Ind AS financial statement and matters where we are unable to obtain sufficient and appropriate audit evidence. The effects of matters described in said **Annexure** '**A**' which could be reasonably determined are quantified and given therein. Our opinion is adverse in respect of these matters.

We would like to draw your attention to Note no. 8 of financial results, where the Company has made disclosures regarding ongoing Corporate Insolvency Resolution Process (CIRP) proceedings against the Company under The Insolvency and Bankruptcy Code, 2016. These conditions, along with the matters stated forth with indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

#### Annexure 'A'

We draw your attention to the following matters:

- i. Material uncertainty related to going concern status: We draw your attention to note. no. 7 of the financial statements where the Company has stated that the Company has defaulted in the repayment of its loans as well as payment of statutory dues (incl. CSR). The Company however continues to prepare its financial statements on a going-concern basis which is not in accordance with the provisions laid down in Ind-AS 1 Presentation of financial statements.
- ii. We would like to draw your attention to note no. 8 of financial results, where the Company has made disclosures regarding ongoing Corporate Insolvency Resolution Process (CIRP) proceedings against the Company under The Insolvency and Bankruptcy Code, 2016. These conditions, along with the matters stated forth with indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.
- iii. The Company's management is responsible for carrying out the balance confirmation and reconciliations with various debtors, creditors, and advances. The Company has however not carried out any such balance confirmations and/or reconciliations with its debtors, creditors, and advances.
- iv. The Company has not carried out an inspection of its inventories for the period under review. We are, hence, unable to carry out a review of the position of its inventories as the balance sheet date.
- v. The Company has not carried out physical inspection of its property, plant and equipment for the period under review. We are, hence, unable to carry out a review of the position of its fixed assets as at the balance sheet date.
- vi. The Company has not carried out an impairment assessment of its property, plant and equipment, inventories, advances, cash and bank balance and debtors. We are, hence, unable to provide an opinion on whether such balances reflect the true underlying economics of such balances.
