Press Release

Pace Digitek Receives ₹2,646.5 Million Advance Work Order from BSNL for BharatNet Middle-Mile & Last-Mile Network Project in Sikkim

Strengthens Telecom & ICT business and expands digital connectivity infrastructure portfolio

Bengaluru, 20 May 2026: Pace Digitek Limited (BSE: 544550 | NSE: PACEDIGITK), a telecom and energy infrastructure solutions provider, has received an Advance Work Order (AWO) from Bharat Sanchar Nigam Limited (BSNL) for Design, Supply, Construction, Installation, Upgradation, Operation and Maintenance (O&M) of the middle-mile & last-mile network under the BharatNet programme in the Sikkim Telecom Circle.

The total contract value stands at ₹2,646.5 million (inclusive of GST).

The project scope includes development and upgradation of BharatNet middle-mile & last-mile network infrastructure across the Sikkim Telecom Circle, including deployment of optical fibre cable (OFC) infrastructure, IP-MPLS routers, telecom power systems, remote fibre monitoring systems and associated network infrastructure.

The scope also includes deployment of underground and aerial OFC infrastructure, GP and Block-level network equipment, last-mile connectivity infrastructure and long-term O&M services.

The project further strengthens Pace Digitek's Telecom & ICT business and reinforces its capabilities across telecom infrastructure deployment, OFC network execution, telecom power systems and digital connectivity infrastructure solutions.

The order also expands the Company's participation across digital connectivity infrastructure and government-led broadband network projects under the BharatNet programme, further diversifying the Telecom & ICT revenue mix beyond traditional telecom infrastructure services.

The project structure is strategically significant as it combines network infrastructure deployment, system integration, supply coordination and long-term O&M services, enabling Pace Digitek to leverage its strengths across project execution and infrastructure deployment. With this order, the Company's total executable order book is over ₹ 110,000 million.

Order Overview

- Customer: Bharat Sanchar Nigam Limited (BSNL)
- Project: BharatNet middle-mile & last-mile network project – Sikkim Telecom Circle
- Contract Value: ₹2,646.5 million (inclusive of GST)
- Scope: Design, supply, construction, installation, upgradation and O&M of BharatNet middle-mile & last-mile network infrastructure
- Project Completion Period: Within 3 years

Commenting on the development **Chairman & Managing Director, Mr. Venugopal Rao Maddisetty said**, *"We are pleased to receive this BharatNet project order from BSNL, further strengthening our Telecom & ICT business and reinforcing our capabilities across telecom infrastructure and fibre network deployment."*

The BharatNet initiative is a key national digital infrastructure programme aimed at expanding broadband connectivity across India. The project aligns with our strengths in OFC deployment, telecom power systems, network infrastructure and long-term O&M services.

This order further enhances our execution credentials and positions us well for future broadband and digital infrastructure opportunities.”

About Pace Digitek Limited

Pace Digitek Limited (BSE: 544550, NSE: PACEDIGITK) is an integrated infrastructure and energy solutions company in India, operating across two business segments: (i) Energy and (ii) Telecom & ICT. The Company operates across the value chain, spanning Manufacturing, Engineering, Procurement & Construction (EPC) and Operations & Maintenance (O&M), enabling both project execution and product supply.

In the energy segment, the Company undertakes Battery Energy Storage System (BESS) design, integration and deployment. Through its subsidiary, Lineage Power Private Limited, it also manufactures energy storage systems and related components.

In the telecom segment, the Company undertakes manufacturing of telecom power systems and provides EPC services and O&M for telecom infrastructure and network deployments across multiple circles in India.
