Press Release

Pace Digitek Subsidiary Secures Rs. 1,587 million Order from Reliance Industries Limited for Advanced Telecom Battery Solutions

Bangalore, 24 February 2026: Lineage Power Pvt Ltd, the material subsidiary of Pace Digitek Limited, has received a major purchase order from Reliance Industries Limited for the supply of high-capacity lithium-ion battery packs. The order is valued at Rs. 1,587.1 million (inclusive of GST).

Under the agreement, Lineage Power will manufacture and supply 50,000 units of 48V 15S1P 314AH Lithium-Ion battery packs. These industrial-grade power systems are specifically designed for backup support for telecom loads.

Commenting on the development Chairman & Managing Director, Mr. Venugopal Rao Maddisetty said, *"This order from Reliance Industries Limited reinforces our position as a trusted provider of critical energy infrastructure in India and supports our strategy of increasing product-led revenues alongside EPC and annuity-linked infrastructure projects. As large-scale deployments gain momentum, we remain focused on disciplined execution, maintaining high quality standards and scaling manufacturing capacity in line with order visibility."*

With this order, the consolidated order book of Pace Digitek Limited stands at ~ Rs. 104,906 million, comprising Telecom & ICT infrastructure and Energy segments.

About Lineage Power Pvt Ltd

Lineage Power Pvt Ltd is an advanced provider of power management and energy conversion solutions, dedicated to fueling the infrastructure of the digital age. Being the material subsidiary of Pace Digitek Ltd focuses on efficiency, reliability, and sustainability. Lineage Power specialises in the design and manufacture of high-performance power systems, including DC power plants, AC-DC power supplies, and customized energy storage solutions (BESS).
