Dear Sir/Madam,

**Sub: Intimation of Press Release.**

Pursuant to **Regulation 30** read with **Schedule III** of the **SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**, and in compliance with the continuous disclosure requirements applicable to listed entities, we wish to inform the Stock Exchanges that **M/s. Lineage Power Private Limited (“Subsidiary”)**, a material subsidiary of the Company, has entered into a **Master Supply Agreement (MSA)** with **Guangzhou Rongjie Energy Technology Co., Ltd (RJE Tech)**, a leading Chinese manufacturer of lithium-ion battery cells. We are pleased to enclose herewith the Press Release dated **June 29, 2026**, providing details regarding its scope, value, and strategic significance to the Company.

We hereby request you to take note of the same.

Thanking You,

**For PACE DIGITEK LIMITED**

**Encl.: As above.**

## Press Release

### Lineage Power, Subsidiary of Pace Digitek, Signs 3 GWh Battery Cell Supply Agreement with Rongjie Energy Tech to Strengthen BESS Manufacturing Platform

**Bengaluru, 29 June 2026:** Lineage Power Pvt. Ltd. ("Lineage Power"), the material subsidiary of Pace Digitek Limited (BSE: 544550 | NSE: PACEDIGITK), has entered into a Master Supply Agreement (MSA) with Guangzhou Rongjie Energy Technology Co., Ltd. (RJE Tech), a leading Chinese manufacturer of lithium-ion battery cells.

Under the agreement, Rongjie Energy Tech will supply 3 GWh of Lithium Iron Phosphate (LFP) battery cells and related accessories to Lineage Power. The agreement represents a significant step in strengthening the Company's battery cell sourcing framework and supports its expanding Battery Energy Storage System (BESS) manufacturing platform and execution capabilities across utility-scale and commercial & industrial (C&I) applications.

#### Strategic Highlights

- **Supply Security:** Secures 3 GWh of next-generation LFP cells to ensure long-term supply chain stability
- **Advanced Technology:** Features Rongjie Energy Tech's new 314Ah storage-specific prismatic cells, built for longer cycle life and higher safety.
- **Operational Framework:** Establishes clear, long-term terms for pricing, quality standards, warranties, and delivery timelines
- **Strategic Logistics:** Leverages Rongjie Energy Tech's manufacturing base in the Guangdong–Hong Kong–Macao Greater Bay Area for efficient shipping to India and international destinations
- **Technology & Quality Collaboration:** Establishes a framework for technical collaboration, product validation, quality assurance and continuous product improvement

**Commenting on the development, Mr. Venugopal Rao Maddisetty, Chairman & Managing Director, Pace Digitek Limited, said:**

*"Securing a reliable long-term supply of high-quality battery cells is fundamental to building a scalable and resilient Battery BESS platform. This agreement with Rongjie Energy Tech strengthens our manufacturing ecosystem, enhances supply chain visibility and reinforces our ability to execute utility-scale and C&I BESS projects with greater confidence."*

*Following a comprehensive technical and commercial evaluation, we found Rongjie Energy Tech's manufacturing capabilities, product quality and technology roadmap to be well aligned with our long-term growth strategy."*

### **About Lineage Power Pvt Ltd**

Lineage Power Pvt Ltd is an advanced provider of power management and energy conversion solutions, dedicated to fueling the infrastructure of the digital age. Being the material subsidiary of Pace Digitek Ltd focuses on efficiency, reliability, and sustainability. Lineage Power specialises in the design and manufacture of high-performance power systems, including DC power plants, AC-DC power supplies, and customized energy storage solutions (BESS).

### **About PACE Digitek Limited**

Pace Digitek Limited (BSE: 544550, NSE: PACEDIGITK) is an integrated infrastructure and energy solutions company operating across a). Energy and b). Telecom & ICT business segments. The Company operates across the value chain, spanning Manufacturing, Engineering, Procurement & Construction (EPC) and Operations & Maintenance (O&M) activities, supporting both project execution and product supply.

In the energy segment, the Company undertakes Battery Energy Storage System (BESS) design, integration and deployment. Through its subsidiary, Lineage Power Private Limited, it also manufactures energy storage systems and related components.

In the telecom segment, the Company undertakes manufacturing of telecom power systems and provides EPC services and O&M for telecom infrastructure and network deployments across multiple circles in India.
