

LatestOne.com to Partner with India Post for All India COD services.

Telangana, Hyderabad, 20.04.2015

LatestOne.com has announced that they have signed an agreement with India Post to deliver the online orders on COD (cash on delivery) basis across India. Now everyone can order their favourite Mobile Covers/Power Banks/Cables & other tech accessories even from remote corners of the country.

India Post has 1,50,000 post offices across India that cater to 89% rural areas, where Express Delivery and COD services will be offered for customers of latestOne.com. This will enable latestOne.com to reach customers in tier-II, tier-III and rural areas in an effective and reliable manner.

Mr. Ameen Khwaja, CEO/MD of the company has added, "After launching the joint operations we have shipped 500 orders to remote locations on COD basis within the first 2 days. Such type of ventures and partnerships are very vital in e-commerce business to provide customer-friendly services and build a reliable brand name. We trust this move will give us wider reach, bring more customers into serviceable network and provide higher customer satisfaction levels"

LatestOne.com is owned and operated by Palred Online Technologies Pvt. Ltd, a subsidiary of Palred Technologies Ltd, a listed entity on [BSE](#) and [NSE](#).
