## Patil Automation Bags ₹10.82 Crore Order for Onsite Assembly Line Installation

*Execution momentum strengthens as active order book surpasses ₹140 crore*

**Pune – October 18, 2025: Patil Automation Limited (NSE: PATILAUTOM | INE17GV01016), a comprehensive industrial automation solutions provider** catering to both automotive and non-automotive sectors, has announced the receipt of a **₹10.82 crore purchase order** (inclusive of all taxes and duties) from an Indian corporate client for an **onsite assembly line installation project**.

The project involves the **design, development, manufacturing, fabrication, and installation** of a **Front Axle Tube Overhead Structure with XY Rail Structure, Yoke Pressing to Gauge, and Welding Cell**, and is expected to be completed by **February 15, 2026**.

This latest order adds to the company's growing pipeline of turnkey projects, reinforcing its position as a trusted partner for **customized automation systems** that drive **precision, productivity, and scalable manufacturing**. With this addition, Patil Automation's **active order book now exceeds ₹140 crore plus**, underscoring its robust growth trajectory and rising demand from OEMs and Tier I suppliers across industries.

**Commenting on the order win Mr. Manoj Patil, Promoter and Managing Director, Patil Automation Limited said,** "This project win reflects the trust our customers place in our design and execution capabilities. We continue to strengthen our presence beyond the automotive space by offering flexible and intelligent automation solutions that cater to diverse manufacturing needs. Our focus remains on expanding our customer base, diversifying industry exposure, and enhancing our technological edge to deliver high-value engineering solutions."

### About Patil Automation Limited

**Patil Automation Limited ("PAL" or "the Company")**, founded in 2015 and headquartered in Pune, is a comprehensive automation solutions provider catering to both automotive and non-automotive sectors. The Company offers end-to-end automation systems encompassing design, manufacturing, testing, installation, modification, and maintenance services for industries such as automotive, electric vehicles (EV), defense, construction equipment, renewable energy, white goods, and general engineering.

PAL's diverse product portfolio includes welding lines, assembly lines, special purpose machines (SPMs), and material handling systems, engineered to enhance precision, productivity, and scalability in modern manufacturing setups.

The Company operates two state-of-the-art manufacturing facilities at MIDC Chakan, Pune, spread across 1.09 lakh sq. ft., with a combined production capacity of 2,304 units per year. A new 59,046 sq. ft. facility is currently under development, which will increase total capacity to 3,454 units annually, enabling faster execution and diversification into new industrial segments.

PAL has successfully delivered automation projects across 10+ countries, with a strong domestic presence in Maharashtra, Haryana, Karnataka, and other key manufacturing hubs.

For FY25, the Company reported a Total Income of ₹122.04 crore, EBITDA of ₹19.26 crore, and Net Profit of ₹11.38 crore, reflecting consistent operational and financial growth.
