L&T awarded a Large* Contract for New Strategic Gas Export Pipeline by KOC-Kuwait

Mumbai, April 1, 2019: Larsen & Toubro Limited (L&T) has won a large order from Kuwait Oil Company (KOC).

The new export gas strategic pipeline and its associated facilities will run a span of approximately 145 km. The new strategic gas export pipeline contract has been awarded through international competitive bidding on a Lump Sum Turn Key (LSTK) basis.

L&T is currently executing a new 48" Crude Transit Line (CTL) from North Kuwait to Central Mixing Manifold (CMM) located near Ahmadi (Kuwait).

Bagging this order from KOC reflects confidence of Oil & Gas majors in L&T's capabilities to execute large projects for the Oil and Gas industry globally.

Background:
Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
