L&T Secures Contract (Large*) for Minerals & Metals Business

Mumbai, Aug 01, 2025: The Minerals & Metals (M&M) business vertical of L&T has secured an order from Hindustan Zinc Limited (HZL), a Vedanta Group company, for a large engineering, procurement and construction (EPC) opportunity concluded earlier.

As part of its expansion plans, HZL is establishing a 250 KTPA Leaching, Purification & Cellhouse facility, along with a 125 KTPA Jarosite Circuit at its Debari Smelter Complex in Rajasthan. The facility will produce Special High Grade Zinc Cathodes (99.995% Zn).

The project was awarded to M&M on an EPC basis. The scope encompasses design and engineering, procurement, complete site services including installation and commissioning of Calcine Storage, Leaching, Purification, and Electrowinning (Jumbo Cell House) plant. The scope also includes associated auxiliaries such as utilities, ETP RO-ZLD, plant electrics, instrumentation, and automation systems.

This order strengthens L&T's longstanding partnership with HZL spanning over three decades. L&T has been a trusted EPC partner in HZL's capacity augmentation initiatives, ranging from beneficiation plants to smelter facilities.

Commenting on the order win, **Mr T Kumaresan, Senior Vice President & Head - Minerals & Metals - L&T**, said: "This win reaffirms L&T's leadership in the Minerals & Metals sector and underscores our commitment to delivering excellence that ensures customer satisfaction."

L&T's M&M vertical offers world-class end-to-end EPC solutions across sectors such as mining, minerals processing, industrial products and material handling. Its Product Business Unit, having manufacturing facilities in Kansbahal (Odisha) and Kancheepuram (Tamil Nadu), provides cost-effective end-to-end product solutions for industries such as mining, cement, steel, fertilisers and ports.

Background:

Larsen & Toubro is a USD 30 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

*** Project Classification**

<i>Classification</i>	Significant	Large	Major	Mega	Ultra-Mega
<i>Value in ₹ Cr</i>	1,000 to 2,500	2,500 to 5,000	5,000 to 10,000	10,000 to 15,000	> 15,000
