L&T Construction awarded contracts (Large*) for Power Transmission & Distribution business

Mumbai, April 2, 2019:

The Power Transmission & Distribution Business of L&T Construction has bagged several Engineering, Procurement and Construction orders across its various business lines.

In India, orders have been secured to lay underground cable in certain industrial areas and towns to improve the reliability of power supply. Orders have also been won for solar powered irrigation systems.

Orders have been received from certain countries of the Middle East and the ASEAN region for substations and transmission lines.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

** Project Classification*
