L&T Hydrocarbon Engineering awarded (Significant*) contracts across business segments

Mumbai, April 04, 2019: L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of Larsen & Toubro, has won contracts of significant value across various business segments.

The Modular Fabrication business of LTHE was awarded a contract for Process (PAU) and Piperack (PAR) modules for a process plant, which includes procurement, fabrication, pre-commissioning and load-out of the modules. The contract shall be executed from LTHE's Modular Fabrication Facility (MFF) at Kattupalli near Chennai.

The business also secured orders for equipment fabrication for a refinery in Oman. The orders shall be executed from LTHE's facility in Oman.

The Construction services business of LTHE also secured an order for additional works for a refinery project in India.

Organized under Offshore, Onshore, construction services, modular fabrication and engineering services verticals, L&T's Hydrocarbon business delivers 'design to build' engineering and construction solutions across the hydrocarbon spectrum.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
