L&T Construction Wins Orders Valued ₹ 2,547 Crore

Mumbai, December 7, 2018: The construction arm of L&T has won orders worth **₹ 2,547 Crore.**

Power Transmission & Distribution business has secured orders worth **₹ 2,547 Crore.**

On the International front, the business has won a major order in Tanzania for the construction of a 220kV Transmission Line between Dar es Salaam and Morogoro which in turn will help electrification of a standard gauge railway line. The business has received two other orders in northern region of Africa for substations from reputed customers.

The business has bagged another breakthrough order in Thailand for the supply and construction of a 230kV Gas Insulated Substation that will cater to the Greater Bangkok area.

In India, the business has secured EPC orders for building 132kV Substations and associated Transmission Lines in Jharkhand. Another turnkey order has been secured for the construction of 220kV & 132kV Transmission Lines in West Bengal.

An order for a first of its kind Battery Energy Storage System has been secured from a Navratna Enterprise of Govt. of India. The 20MW grid interactive solar photovoltaic project integrated with an 8 MWHr energy storage system is to be built in the Andaman & Nicobar Islands. Such large scale energy storage systems facilitate smooth grid integration of renewable generation which is intermittent in nature.

The Andhra Pradesh State FiberNet Limited has awarded an order to establish Optical Fiber Network Infrastructure in 4 districts, under the BharatNet Phase - II works.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

** L&T Construction is a brand of Larsen & Toubro*
