L&T Construction awarded (*Significant) contracts for its Water and Effluent Treatment Business

Mumbai, September 12, 2019: The Water & Effluent Treatment Business of L&T Construction has secured orders from prestigious clients from two states in India.

Maharashtra

An EPC order has been bagged for the Gunjawani project piped distribution network including the Narayanpur Lift Irrigation Scheme from Maharashtra Krishna Valley Development Corporation-WRD, Pune. The scope includes survey, investigation, design, procurement, construction of gravity mains, installation of pumping system, rising main line / branch lines / automated outlet management system (OMS) at every 24 Hectare-chak / distribution network up to 3 Hectare-sub chak. The business has also been mandated to prepare all the relevant documents to form a Water User Association, as per the MMISSF Act 2005 for the command area, to build the capacity of farmers to attain the maximum crop yield, by conducting farmers' awareness training programs for the effective functioning of the scheme.

The project envisages to irrigate 21,392 Hectares of Culturable Command Area (CCA) in Taluk Velhe, Bhor and Purandar of Pune district, by drawing water from the Gunjawani Dam.

Odisha

Another EPC order has been secured from the Rural Water Supply and Sanitation Department to execute two individual rural piped water supply projects in Odisha's Jharsuguda district.

The aggregate scope of work includes design & construction of two Intake structures, two water treatment plants, 1,745 Km of transmission & distribution pipelines, 58 overhead service reservoirs, 9 booster pumping stations and associated electromechanical & instrumentation works. The project involves automated measurement of input & output water quantity and quality through suitable SCADA & other instrumentation works.

The projects will cater drinking water to 273 villages in Jharsuguda District.

An add-on order has been received from TWAD, Tamil Nadu as a part of Coimbatore UGSS project, for the construction of 30.53 MLD STP on EPC basis.

Additionally, the business has also received add-on orders for some of its existing projects across various states.
