L&T Construction Awarded a Large* Contract for Construction of Hospitals

Mumbai, February 13, 2019: Buildings and Factories Business of L&T Construction has secured a Design and Build order for the construction of hospitals from a private developer in India.

This is a first-of-its-kind private sector project that incorporates National Disaster Management Authority guidelines and will have base isolators in the foundation to withstand the worst-case seismic scenarios.

The project that will feature 37 linear accelerator bunkers has to be completed within stringent timelines of 30 months.

The business has also secured another order for the construction of a hospital in Udupi, Karnataka.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

L&T Construction is a brand of Larsen & Toubro.
