L&T Secures (Large *) Orders for Building & Factories Business

Mumbai, Jul 24, 2025: The Buildings & Factories (B&F) business vertical of Larsen & Toubro has secured large orders in India and abroad.

The business has secured the following orders from the Andhra Pradesh Capital Region Development Authority that are to be executed in Amaravati:

- Construction of Integrated Andhra Pradesh State Secretariat & HoD Offices (Towers 3 & 4) on design and construction basis. The project scope involves construction of two towers on basement + ground + 39 floors configuration including an amenities-building.
- Construction of 21 residential towers, with the scope encompassing construction of RCC shell and core, architectural finishes, electrical, plumbing and sanitary fixtures, firefighting provisions, lifts, DG sets, HVAC systems, building security systems, internal roads, hardscaping and landscaping.

The business has also secured an order from a reputed developer to construct residential towers in Mumbai, Maharashtra. This project comprises construction of RCC shell and core structures for two luxury towers in 1B+1G+5P+59floors configuration, reaching up to 200 metres height.

Then, the B&F division of L&T Oman has secured a repeat order from a prestigious client for the construction of a premium office space in Muscat. The project encompasses the construction of three identical towers of G+8 floors, to be built above a shared two-level basement, along with a central landscaped plaza. The scope includes civil, architectural, MEP, internal finishes for common areas, hardscaping and landscaping.

Background:

Larsen & Toubro is a USD 30 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
